News from the LOEX Office

Greetings from the LOEX office. My name is Theresa Valko and I have recently taken over the responsibility of running LOEX. I am an instruction/reference librarian and look forward to approaching the issues that face instruction librarians from a different point of view. I'm open to new ideas and opportunities for LOEX so please share your brainstorm. My first few months have been quite exciting (and busy!) as LOEX prepares for its next cycle of events.

The planning for the 2005 conference in Louisville is going well. We are currently reviewing the submitted proposals and working on putting together the program. Check the conference web site for updates: <http://library.louisville.edu/loex2005/>. Don't forget that conference registration for LOEX members begins Friday, Feb. 11, 2005 at 1:00 p.m. The spots go quickly, so be sure to mark your calendar!

And, if you haven't noticed, we finally got our new web site up and running! Check it out: <http://www.emich.edu/public/loex/loex.html>. Again, comments and critiques are always welcome.

Enjoy these last days of the year and have a safe and relaxing holiday season.

I look forward to getting you know you all,

Theresa Valko
Director
