

LOEX QUARTERLY

Affiliated with Eastern Michigan University's Bruce T. Halle Library

Volume 33, Number 3, Fall 2006

Greetings from LOEX! For those of you I have not talked to yet, I'm Brad Sietz, the new director of LOEX. I am excited to have the opportunity to continue LOEX's success and build upon it. In the brief time since I started in September, I have already had the chance to talk/email/fax with scores of librarians around the world and it is great that there are so many people interested in library instruction and information literacy.

The big news out of LOEX is the 2007 conference in San Diego, CA. We have a great organization, SCIL (Southern California Instruction Librarians), hosting the conference and they are putting together a high-quality program. We just finished receiving an interesting, diverse group of proposals and will select which ones have been accepted by January. Also, registration for the conference is February 9th at 1:00PM Eastern. I know spots have gone quickly in the past, so mark your calendars. For more information about the conference, please see: <http://public.csusm.edu/acarr/loex/index.html>

Please let me know any suggestions you might have for making LOEX work better for you and your institution - whether it's the conference, the Quarterly, Currents, the website or anything else. I have a few ideas and if you do too, please share them with me.

Have a safe and fun holiday season,

Brad Sietz
