With conference season in full swing, LOEX’s own annual conference will soon be upon us, as we head to the Buckeye State on May 3-5, 2012. The Columbus LOEX Committee, comprised of librarians from seven different institutions from across Ohio, is putting together a great program and I expect we’ll have another invigorating and interesting time. The sessions and speakers for the conference will be posted online at http://loexconference.org/program.html by February 1.

Registration for conference attendees occurs on Friday, February 10th at 1PM EST / 10AM PST. The only place to register is online using a form that will be posted at http://loexconference.org/registration.html; no payment information is needed at the time of registration as that enables efficient and speedy registration. Fees are unchanged from last year at $250 per person for LOEX members. The website has a full breakdown of what those fees include.

Outside of the conference, in this issue of the Quarterly we have a book review, a TechMatters on an application, Evernote, that can be very useful at conferences (amongst many other places), an article on mentoring, the first part of an exploration of an increasingly important type of instruction, service learning, and an interview with one of the long-time notable figures in library instruction, Esther Grassian.

Happy instructing,
Brad Sietz
Director
