On this day...In 1648, construction of the [Red Fort](#) located in Delhi, India is completed. The Red Fort was the residence of the Mughal emperor of India for nearly 200 years, until 1857.

Quote: "Be as you wish to seem." - **Socrates**

Fact: [The Skagen Painters](#) were a group of Scandinavian artists who gathered in the village of Skagen, the northernmost part of Denmark, from the late 1870s until the turn of the century. Skagen was a summer destination whose scenery and quality of light attracted northern artists to paint *en plein air*, emulating the French Impressionists—though members of the Skagen colony were also influenced by Realist movements such as the Barbizon school.
