SPECIAL NOTICES:

TOBACCO-FREE POLICY: Eastern Michigan University is now tobacco-free. The policy applies to all university employees, students, visitors, contractors, volunteers and service representatives while on EMU property.

Smoking and the use of tobacco is prohibited in or on all university owned, operated, or leased buildings, facilities and grounds, including vehicles. The grounds of the EMU campus are also tobacco free, as are the grounds of any off-campus facilities owned or leased in total by the University. The areas extend up to and not beyond the publicly owned, perimeter sidewalks of the EMU campus, which lie on public roads, as designated by the University.

This tobacco-free policy is intended to support a healthy learning, living, and work environment for every student, employee and visitor. Tobacco use is the single most preventable cause of disease, disability and death in the United States, according to the Centers for Disease Control and Prevention. The policy promotes and protects the well-being of all campus members, users and non-users alike. For more information, please visit www.emich.edu/tobaccofree.
