Monday, October 15, 2012 SPECIAL NOTICES:

CYBER SECURITY TIP OF THE DAY: October is Cyber Security Awareness Month. For more cyber security awareness tips and information, go to SANS Security Awareness Tip of the Day. Today's tip.

- Don't allow your Internet browser to store passwords for you. Stored passwords allow anyone who can access your machine to log in to your web accounts as you. In addition, there are numerous utilities that can expose that hidden information and actually reveal the password. If you've reused that password for other logins, many systems or web sites could be compromised.

UNITED WAY PLEDGE DRIVE: EMU has a great tradition of supporting this community and United Way is a part of that tradition. Please help us reach this year's goal of \$100,000. There are six focus areas the campaign helps: early childhood care and education, school-aged youth, hunger relief, homelessness and housing, senior assistance and safety-net health. There are 3 ways you can make a donation:

- Express Link: <http://uwvc.unitedwaypledge.org/epledge/emuquick>
- Traditional Link: <http://uwvc.unitedwaypledge.org/>. User ID is your emich email address, password is "liveunited." Then, you will be asked to change your password.
- Paper donations are also an option. Please see your United Way department representative or contact this year's chair, Kevin Kucera, associate VP of enrollment management, or Linda Moore, coordinator at 487-8892 or email at lmoore14@emich.edu.
