Q. Approval of the Agenda Senator Ventura, 2nd
R. Approval of the Minutes Senator Mercan, 2nd
S. Guest Speakers
   1. Bob Heighes, Chief of Police
      1. Has worked for Eastern for 29 years and went to school here. He has spoken in
         front of groups before and felt like it would be best if he started with a question and
         answer session so people could get the information they wanted.
         1. Speaker Cartier asked what safety upgrades had been implemented.
         2. Emergency blue light phones, new software to monitor phones, more than
            500 cameras and continue adding more to various buildings, 3 year plan to
            grow and upgrade and service existing cameras. He was proud of the
            stability of the 33 officers currently serving and continues to develop their
            training as well. Also, working on different ways to communicate including
            Twitter and Facebook but is always looking for more ways to improve.
         3. Chief Heighes talked on the Niswender case. The most recent update is that
            the chief medical examiner came back today with the fact that it was
            definitely a homicide. The Ypsilanti PD is working hard to get answers and
            apologizes for the frustration of not getting answers to students. He
            emphasized his open door policy and encouraged everyone to come talk to
            him. His cell phone number: 7343234523
         4. Provisional Senator Davis asked what the timeline was to work out camera
            repair.
         5. Chief Heighes said that they are working through segments each year and
            are working to get more done as the fiscal year continues. Trying to get it
            worked into the budget. But the cameras are doing great things
         6. Provisional Senator Jaber wanted to thank him for his time and all that he
            does.
         7. Director Elmgren said that he had had an experience involving larceny and
            he thought they did a great job retrieving his items and carrying out
            investigation.
         8. Senator Agbor asked if he had any tips for students to better protect
            ourselves.
         9. Chief Heighes told everyone to use SEE US or walk in pairs at night, be
            aware of surroundings. The biggest crime in college is larceny, so do not
            leave your personal belongings unattended. Sign up for RAVE text alerts.
   2. Leigh Greden, Executive Director of Government and Community Relations
1. He works with coordinating federal lobbyinf efforts, supervise state efforts, community affairs etc. He said that he had been brought here to talk on the Gun Safety resolution a bit.

2. Speaker Cariter passed out the amendments he wanted to make to the resolution as it stands now.

3. Mr. Greden said that as of now, weapons are prohibited on campus, very limited circumstances for otherwise. Efforts have been made to make it easier to carry concealed weapons on Eastern’s campus that they have been continually fighting and being successful with. During the lame duck session at Lansing there was a proposal to allow more opportunities to carry weapons but they lobbied to get universities excluded from the amendment. The governor vetoed it anyway. They believe guns on campus are not what is best.

4. Director Elmgren asked if weapons were permitted on campus in the future, would there be a change in regulatory climate.

5. Mr. Greden said that they would oppose it no matter what but we work methodically and with the right people, they do not advertise what or how we do things but the position on carrying guns on campus won’t change.

6. Director Elmgren asked if even President Martin does not sign, the university will still oppose guns on campus.

7. Chief Heighes said yes, that the position would not change.

T. Constituent’s Forum
(Open to currently enrolled students: 1 hour/total)**

U. Special Order Speeches
(Open to all people sitting w/ Senate: 3 minute limit/person)

a. President Norfleet

   a. Speaking on the current state of the Executive Board, Director Williams is done and Previous Chief of Staff Osborne will be taking her place.

   b. Senator Vanleer asked if that meant that the Chief of Staff position was open,

   c. President Norfleet said that he had decided not to re-hire the position for the remainder of this year.

V. Standing Committee Reports

W. New Business
(Each item of Business: 45 minute default**; amend restricted from 10-90)

1. Advisory Notice 99-013 (Alpha Kappa Alpha)

   1. Alpha Kappa Alpha has been in existence since 1949 and they are asking for money to help make changes for their scholarship event. They have been doing some fundraising for it as well.

   2. Discussion: none
The Treasurer as well as the Vice President of the organization (Director Monea) said that the goal of the organization was to promote international affairs and getting students more involved. A major thing they partake in is Model United Nations where they debate current issues, it is an excellent opportunity. The money they are asking for ($1365) is for delegation and conference fees. The conferences are a vital part of what the organization does. They earn Eastern a lot of recognition by doing well at various events. They registered early so the cost would be $135/student x 13 students and $75/advisor x 2 advisors. They have already taken part in some fundraisers to cushion the cost.

CLERK OF THE SENATE     STUDENT BODY PRESIDENT
RESOLUTION NO.  S.Res-99-020  

AUTHORED BY Speaker Leo Cartier Jr.  
SUPPORTED BY Senators Arrington, Harrold & Ventura  

A RESOLUTION TO: STAND IN OPPOSITION TO THE PROPOSED MICHIGAN STATE HOUSE BILL NO. 4027 AND SIMILAR BILLS.  

THE STUDENT BODY OF EASTERN MICHIGAN UNIVERSITY ENACTS:  

WHEREAS, HB 4027 and similar bills would erode the traditional private property rights of employers and other private property owners by prohibiting them (including Eastern Michigan University) from barring weapons and ammunition on their property, including vehicles and company parking lots,  

WHEREAS, HB 4027 would strip property owners of their fundamental and constitutional private property rights,  

BELIEVING, policies should continue to be a private property owner’s choice, not a decision mandated by state government,  

NOTING, passage of HB 4027 or similar bills would directly violate Eastern Michigan Universities Student Conduct Code,  

FURTHER NOTING, passage of HB 4027 would be in direct violation of Eastern Michigan Universities Student Conduct Code found within Section V: Violations, which states, “The following behavior is subject to disciplinary action under this Code. An individual, a group of individuals or a student organization may be charged with any of the violations”,  

FURTHER NOTING, within Section V: Violations includes: “Q. Weapons/Firearms/Explosives: Possession, storage or use of firearms and other weapons, including non-lethal weapons. Possession, storage or use of firecrackers, gunpowder, ammunition, explosives or incendiary devices, or other substances which could endanger health or safety”,  

DEEPLY CONCERNED, HB 4027 is a legislative intrusion into basic property rights, is a step in the wrong direction and an unnecessary big-government solution,  

BE IT RESOLVED, Eastern Michigan University Student Government, speaking on behalf of the Student Body of Eastern Michigan University, officially stands opposed to House Bill number 4027 and similar bills.
