DONATE TO UNITED WAY: Eastern Michigan University is a community-minded university that has a long-standing relationship with United Way. I am very proud to partner with United Way in improving our community through the support of programs focused on Education, Financial Stability and Health - the building blocks for a good quality life.

As Eastern Michigan continues this year's United Way campaign toward our goal of \$100,000, we need your help. Your support can play an important role in improving the lives of those who need our help most and I believe that there is no better way to make a lasting difference in our community than through United Way of Washtenaw County.

Why?

- When you give to United Way, your gift stays right here in Washtenaw County and is invested in the programs, partnerships and initiatives critical to our community.
- Your one gift helps more than one person, one family or one charity - it helps build a stronger community for all of us.
- United Way is the collective power of people working together toward long-term solutions, not short-term fixes.
- United Way is focused on results - results that will ensure your gift is making the greatest difference possible.

Whether you are a first-time giver or someone who has supported United Way for many years, your gift is appreciated. Please join me as we help advance United Way's work in our community. EMU will always be a community-minded university!

There are 3 ways you can make a donation:
