Events & Deadlines

June 24, 2019

Deadlines

National Endowment for the Humanities, Media Projects

Notice seeking proposals for development and production media projects supporting the collaboration of media producers and scholars to develop humanities content and to prepare documentary film, television, radio, and podcast projects that engage public audiences with humanities ideas in creative and appealing ways.

Next Deadline: August 14, 2019

National Institutes of Health, Undergraduate Research Education Program (UP) to Enhance Diversity in the Environmental Health Sciences (R25)

The NIH Research Education Program (R25) supports research educational activities that complement other formal training programs in the mission areas of the NIH Institutes and Centers. The over-arching goals of the NIH R25 program are to: (1) complement and/or enhance the training of a workforce to meet the nation's biomedical, behavioral and clinical research needs; (2) encourage individuals from diverse backgrounds, including those from groups underrepresented in the biomedical and behavioral sciences, to pursue further studies or careers in research; (3) help recruit individuals with specific specialty or disciplinary backgrounds to research careers in biomedical, behavioral and clinical sciences; and (4) foster a better understanding of biomedical, behavioral and clinical research and its implications.

The over-arching goal of this R25 program is to support educational activities that encourage individuals from diverse backgrounds, including those from groups underrepresented in the biomedical and behavioral sciences, to pursue further studies or careers in research.

To accomplish the stated over-arching goal, this funding opportunity announcement (FOA) will support creative educational activities with a primary focus on:

> **Research Experiences** for undergraduate students: to provide hands-on exposure to research, to reinforce their intent to graduate with a science degree, and/or to prepare them for graduate school admissions and/or careers in research.

Next Deadline: August 30, 2019

Samuel H. Kress Foundation

Supports scholarly projects that promote the appreciation, interpretation, preservation, study and teaching of European art from antiquity to the early 19th century. Funding is offered in three areas: History of Art and Conservation (both have annual deadlines: 3/1, 9/1, 12/15) and Digital Resources (annual deadlines: 3/1, 9/1). Deadlines are for required LOIs.

Next Deadline: September 1, 2019

Aetna Foundation

Provides grants in four focus areas--Healthy Eating and Active Living; Health Care Equity; Innovation in Underserved Communities; and Health Care Scholars.

Next Deadline: September 1, 2019

The Graham Foundation, Production & Presentation or Research & Development Grants

Program offers grants in architecture and its role in arts, culture and society: Production and Presentation Grants for individuals or organizations; and Research and Development Grants for individuals. Grants fund production-related expenses to take a project from conceptualization to realization and public presentation and provide seed money for research-related expenses.

Next Deadline: September 15, 2019

National Endowment for the Humanities, Documenting Endangered Languages

NEH and NSF support projects to develop and advance knowledge concerning endangered human languages. Project grants (up to three years) and fellowships (six-12 months) exploit advances in information technology to address the imminent death of an estimated half of the 6,000 to 7,000 currently used human languages. Supports fieldwork and other activities relevant to recording, documenting and archiving endangered languages.

Next Deadline: September 16, 2019
