### Explanation of Headings:

- **CRN** stands for Course Reference Number. This is a five-digit number that uniquely identifies a particular section of a course.
- **STATUS** This column denotes whether sections are Honors sections (H), Freshmen Year Seminar sections (F), PASS sections (P), Residential Cohort (R) or CSIE Program (E). If any of these five codes appear in that column, students will not be able to register for the section unless they are in that particular program. Sections with no Status code are open to the general population, provided course restrictions and prerequisite requirements are met.
- **P/T** stands for Part of Term. There are several Parts of Term within each term. For example, Fall term consists of a 15 week Part of Term, Several 7 ½ week Parts of Term, and a 1 week Part of Term. For specific Part of Term start and end dates, see Page 2.
- **ST** stands for Schedule Type. The following codes are used:

AMU = Applied Music	HLB = Hybrid Lab and Online
CP = Cooperative Education	HLE = Hybrid Lecture and Online
DEI = Distance Education Independent Learning	HLL = Hybrid Lecture/Lab and Online
DEO = Distance Education Fully-Online Lecture	IST = Independent Study
DLB = Distance Education Fully-Online Lab	L = Lecture
DLL = Distance Education Fully-Online Lecture/Lab	LAB = Laboratory
DRE = Distance Ed Fully Online Recitation	LBR = Combined Lab and Recitation
EBR = Web Enhanced Lab/Recitation	LLA = Combine Lecture and Lab
ELB = Web Enhanced Lab	LLR = Combined Lecture, Lab and Recitation
ELE = Web Enhanced Lecture	LRE = Combined Lecture and Recitation
ELL = Web-Enhanced Lecture/Lab	REC = Recitation
ELR = Web Enhanced Lecture/Recitation	ST = Studio
FE = Field Experience	

- **EP** stands for Department Permission for Extended Programs and Education Outreach sections.
- **DP** stands for Department Permission. If a DP code appears in this column for a particular section, then that section requires department permission. Students will be unable to register for the section until they secure authorization from the proper academic department.
- **Days** denotes which day of the week the class is held:  
M = Monday, T = Tuesday, W = Wednesday, R = Thursday, F = Friday, S = Saturday, U = Sunday  
(eg. TR means Tuesday & Thursday)
- **Campus** This code tells where the section is held and is used to denote Extended Programs and Educational Outreach sections. If there is no location code, then the class is not offered through Extended Programs and Educational Outreach sections and is most likely on the EMU main campus.
- **Rm** and **Bldg** denotes the Room and building in which the class is held. For a list of Building codes and descriptions, see page 3 and 4.

## Honors College Courses

The Honors College at Eastern Michigan University strives to provide the intimacy of a small, liberal arts education within the context of a large, comprehensive university. To this end, both educational and cultural experiences for EMU's intellectually talented and motivated students are provided through challenging Honors courses and extra-curricular activities that encourage scholarly curiosity, leadership, civic engagement, and diversity. The Honors College offers undergraduate students opportunities for a wide range of experiences that aid in the development of their appreciation for creativity, the arts, sciences, critical issues facing contemporary society, and diversity among people and their cultures.

The following Honors courses are offered in cooperation with faculty in departments from all of the five academic colleges, either as special sections of regularly scheduled departmental offerings or as specific courses developed for The Honors College. Honors courses are small (20 students maximum), interdisciplinary, seminar style classes, emphasizing discussion, student participation, experiential learning, and collaboration.

Students must be members of the Honors College to register for Honors courses. Applications for membership are available in the Honors College office and on the university web site. A course grade of B- or better must be achieved to receive Honors credit. A course for Honors credit cannot be taken as "pass/fail." University academic credit (but not Honors credit) will be earned for any Honors course in which a passing grade of C+ or lower is earned.
