Dear Betty:

I would like to invite you to become a member of the Honors Advisory Council for the 2002-2003 academic year.

The Honors Advisory Council was established in the fall of 2000 as a result of recommendations made by an internal evaluation team the previous year. Its job is to advise the Director of the University Honors Program about policies and procedures. This past year the Council played a major role in developing a set of proposals that have been included as strategic initiatives in the UHP's strategic plan. These proposals will change both the look and direction of the UHP for the foreseeable future.

The upcoming year will be even more important. Not only will the Council be intimately involved in preparing to implement its proposals, it will also be aiding in the transition to new leadership for the Honors Program. You can be assured that the work you do will have a substantial impact on honors education at EMU.

While I understand that you have many other responsibilities, I do hope that you will be willing to accept this invitation. If you can, please notify Ron Delph, the current chair of the Council, by email as soon as possible. You may contact him at RonDelph@History@ARTSCI.

Thanks in advance for your help.

Sincerely,

A handwritten signature in black ink, appearing to read "Bill Miller".
