Seminars and Workshops

WEEK-LONG TEACHER SEMINAR OFFERED: Extended Programs & Educational Outreach at EMU is pleased to offer a week-long seminar "Witnesses to the Holocaust," Monday, August 12 - Friday, August 16, at the Holocaust Memorial Center in Farmington Hills, MI. The seminar will build an instructor's content base through the latest academic and instructional practices, making lessons about the Holocaust understandable and meaningful for students. Teachers will become familiar with the extensive primary resources available through the museum survivor network, library, and beyond and will develop a lesson plan to be shared with other participants at the conclusion of the seminar. Space is limited and registration is required by Friday, August 2. Seminar tuition is \$100 (SCECH eligible). For more information, go to <http://www.ep.emich.edu/holocaust>).

Activities and Events

EMU PLANETARIUM'S SUMMER SHOW LINE-UP: The EMU planetarium has a "star-studded" line-up of movies planned to entertain and educate its audiences. All shows will be viewed in the planetarium, located at 402 Mark Jefferson Science Complex. Tickets must be purchased in advance from any EMU ticket office or online at EMU Tickets. Below are the dates, times and details for each movie:

"The Little Star That Could" story is about Little Star, an average yellow star searching for planets of his own to protect and warm. Along the way, he meets other stars, learns what makes each star special, and discovers that stars combine to form star clusters and galaxies. Eventually, Little Star finds his planets. Each planet is introduced to the audience with basic information about our solar system. Show date is Saturday, July 27, 2 p.m. Run time is 35 minutes. This movie is appropriate for all ages and recommended for families. Each "Little Star" show includes "Seasonal Stargazing" with a run time of 7 minutes. Visit [The Little Star That Could Movie](#) to watch a preview.

"Galileo: The Power of the Telescope" Two eyes and two pieces of glass revolutionized human understanding 400 years ago. The eyes belonged to Galileo Galilei, and the curved pieces of glass were the lenses of his telescope. In "Galileo: The Power of the Telescope," you'll learn Galileo's personal and powerful story, and explore how his discoveries displaced long-held views about the universe. Narrated by Dava Sobel, author of the award-winning biography *Galileo's Daughter*. Show date will be Saturday, July 27, at 3:15 p.m. This show is appropriate for ages 13 and up. Run time is 30 minutes. Each "Galileo" Show includes "Seasonal Stargazing" with a run time 15 minutes.

Visit our Facebook page at [Facebook.com/emuplanetarium](https://www.facebook.com/emuplanetarium). Contact Norbert Vance at nvance@emich.edu or Tom Kasper at tkasper@emich.edu for further details about the planetarium.

FAREWELL PARTY FOR JON MARGERUM-LEYS: The College of Education cordially invites the campus community to a retirement party for Jon Margerum-Leys on Thursday, August 1, 3 - 5 p.m., room 300 in the Student Center. Fact: Hulda Hoehn Crooks (May 19, 1896 – November 23, 1997) was an American mountaineer. Affectionately known as "Grandma Whitney," she successfully scaled 14,505-foot Mount Whitney 23 times between the ages of 65 and 91. She had climbed 97 other peaks during this period. In 1987, at age 91, she became the oldest woman to scale the two peaks.
