Resolution 20070418

Faculty Senate

Resolution 20070418

WHEREAS: E-mail communication between faculty and students is critical to the educational process, and

WHEREAS: This communication is often hampered by the current disk quota for faculty,

THEREFORE BE IT RESOLVED: The University Faculty Council urges that the administration immediately allocates sufficient resources to increase the e- mail quota to a minimum of 2 gigabytes for each faculty member. The resolution was proposed by Matt Evett and unanimously approved.
