UNITED WAY CAMPAIGN - "MISSION POSSIBLE": The United Way Campaign has begun on Eastern's campus. Every donation, regardless of how small is critical in addressing the underlying causes of problems and helping people who are faced with challenges move from crisis, to stability - to independence. When families are stable, when children succeed, when individuals stay healthy, our community is stronger. That's why United Way focuses on income, education and health - the foundation of stable families.

UNITED WAY does what no single organization alone can do. We bring together leaders from government, corporations, human service providers and the community to develop innovative solutions to local issues. We leverage funding for the network of programs that - together - can make a meaningful, measurable difference. TOGETHER, we can accomplish more than a single person, group or organization. United, we can inspire hope and create opportunities so that everyone can become independent. Our mission is to make our "local dollars change local lives."

It is quicker and easier to donate than ever before! From your My.Emich account, click on "*Click here to donate*" and follow the steps. Paper donations are also an option. Please see your United Way department representative or contact this year's chair, Kevin Kucera or Linda Moore at 487-8892 or Dawn Stovall at 487-1105.
