SPECIAL NOTICES:

FLU VACCINE CLINICS ON EMU CAMPUS: The University Health Services would like to remind the campus community that the fall season is a prime time for a variety of health concerns such as flu and pertussis (whooping cough). Take steps to reduce your risk of illness and infection, especially by proper hand washing and making sure your immunizations are up-to-date.

To support your well-being, University Health Services is offering flu vaccination clinics at various locations around campus as well as at Snow Health Center. The Snow pharmacy is a Blue Cross/Blue Shield in-network provider for flu vaccinations. This means that EMU employees with BC/BS coverage can get these vaccinations for FREE. (Important – You must bring your insurance card with you when you come to get vaccinated.) For non-BC/BS policyholders, the cost is \$30.

Students on the EMU student health insurance plan and those with BC/BS coverage can also get the vaccine for FREE (by presenting their insurance card).

The cost is \$30.00 for those not covered by the plans above. Methods of payment are cash, check, Visa, MasterCard or Discover card. Students can bill the charge to their student tuition account (E-bill). For information or questions, call University Health Services at 487-1122.

PLANNED COMPUTING SYSTEM DOWNTIME: A planned computing system downtime is scheduled **Friday, October 18**, 6 p.m. to midnight. Monthly maintenance of EMU's computing systems is routinely performed on a Friday evening during this time frame. During this month's maintenance program, the following major computer systems will be unavailable:

- EMU Website (www.emich.edu)
- my.emich
- BOE
- Library Catalog
- Library Image Database
- Library Intranet
- IRIM (irim.emich.edu)

For a full list of all systems affected please visit IT's system outage page: <http://it.emich.edu/portal/systems/index.cfm?fuseaction=all>. Also, critical upgrades will be applied to Banner modules (General, Human Resources, Advancement, Position Control and Financial Aid). These upgrades will begin on Friday, October 18 at 6 p.m. and will finish no later than Saturday, October 19 at 3 p.m.

During this upgrade, the following major computer systems will be unavailable:

- Banner
- My.emich self-service faculty, student and employee tabs
- Xtender imaging
- Workflow

All other systems and services remain AVAILABLE including:

- Wired and Wireless Internet Access (residence halls, offices, and classrooms)
- EMU-Online course management system (available at <http://emuonline.edu>)
- EagleMail (available at <https://mail.emich.edu/>)

All planned maintenance for major EMU systems is scheduled in conjunction with the ERP-Business Operations Committee (BOC). The BOC includes representation from various campus units and Faculty Senate. Please contact the Help Desk at 487-2120 or it.helpdesk@emich.edu if you have any questions about this scheduled downtime. We appreciate your patience during this important and required system outage.

For more information, contact Elaine Richards at 487-4474 or by email at erichards@emich.edu.

UNITED WAY CAMPAIGN - "MISSION POSSIBLE": The United Way Campaign has begun on Eastern's campus. Every donation, regardless of how small is critical in addressing the underlying causes of problems and helping people who are faced with challenges move from crisis, to stability - to independence. When families are stable, when children succeed, when individuals stay healthy, our community is stronger. That's why United Way focuses on income, education and health - the foundation of stable families.

UNITED WAY does what no single organization alone can do. We bring together leaders from government, corporations, human service providers and the community to develop innovative solutions to local issues. We leverage funding for the network of programs that - together - can make a meaningful, measurable difference. **TOGETHER**, we can accomplish more than a single person, group or organization. United, we can inspire hope and create opportunities so that everyone can become independent. Our mission is to make our "local dollars change local lives."

It is quicker and easier to donate than ever before! From your My.Emich account, click on "[Click here to donate](#)" and follow the steps. Paper donations are also an option. Please see your United Way department representative or contact this year's chair, Kevin Kucera or Linda Moore at 487-8892 or Dawn Stovall at 487-1105.

REQUIRED MIOSHA TRAINING FOR ALL EMU AND STUDENT EMPLOYEES:
MIOSHA has updated the Hazard Communication Standard (Employees Right to Know) by adopting the Global Harmonization System. These changes to the standard require all employees to receive updated training by the December 1, 2013 deadline. Please plan to attend one of the following mandatory training sessions:

Lectures and Meetings

SOUL SPEAK: A GROUP FOR WOMEN OF COLOR: Did you know that approximately 12 million women in the United States experience depression each year? For women of color, specifically, depression can be complicated by issues relating to race and ethnicity. *Soul Speak* group sessions will take place from 12 - 1:30 p.m., in the Kiva Room, located on the 3rd floor of the Student Center. The dates are below:

- **Tuesday, October 22**
- **Tuesday, October 29**
- **Tuesday, November 5**
- **Tuesday, November 12**
- **Tuesday, November 19**

The environment for *Soul Speak* will provide a safe and supportive space to connect and discuss the unique experiences of being women of color while at EMU. You will learn more about yourself and be empowered. For questions, please contact Joi Rencher at 487-0899 or email jrencher@emich.edu.

2013 PSYCHODYNAMIC RESEARCH SYMPOSIUM TALK: Please join the Psychology Department for Wilma Bucci's lecture on "*Multiple Levels of Interaction in Therapeutic Communication: Between Patient and Therapist and Within Each Patient*" on **Wednesday, October 23**, 9:30 - 10:45 a.m., room G03, Halle Library. Bucci will examine the processes of communicating emotional experience between therapist and patient in the theoretical framework of multiple code theory, which includes sub-symbolic and symbolic verbal and nonverbal codes, and cover adaptive as well as maladaptive forms of dissociative processes. She will also discuss communication on multiple levels, including embodied communication as well as linguistic forms. For additional information, please contact Ashley Stauffer at 487-1155 or astauffe@emich.edu.

FALL 2013 MATHEMATICS DEPARTMENT GUEST LECTURE: Please join the Mathematics Department for a talk by Michael Jones, associate editor of *Mathematical Reviews*, titled "*A Voting Theory Approach to Golf Scoring.*" The talk will be given **Wednesday, November 6**, from 3:30 - 4:30 p.m., in room 406 Pray-Harrold. PGA tournaments can be scored under stroke play or the modified Stableford scoring system; these two methods of scoring are equivalent to using voting vectors to tally an election. This equivalence will be discussed and data from the 2004 Masters and International Tournaments will be used to examine the effect of changing the scoring method on the results of the tournament. For additional information, please contact Stephanie Casey at scasey1@emich.edu.

For questions or more information, please call Norbert Vance at 487-4146 or email Tom Kasper at tkasper@emich.edu.

Below are the movies, dates and times, along with a brief description for each show:

"COSMIC COLORS"

- **Tuesday, October 29** - Showtime 8 p.m.
- **Tuesday, November 12** - Showtime 8 p.m.

"Cosmic Colors" will take you on a wondrous journey across the entire electromagnetic spectrum. Discover the many reasons for color like why the sky is blue and why Mars is red. Take a tour within a plant leaf and journey inside the human eye. Investigate x-rays by voyaging to a monstrous black hole and then back at your doctor's office. You will even see the actual color of a dinosaur – based on recent evidence. Get ready for an amazing adventure under a rainbow of cosmic light! Appropriate for ages 13 and up. Run time is 25 minutes. Each "Cosmic Colors" show includes "Seasonal Stargazing" which has a run time of 15 minutes. Please visit "[Cosmic Colors](#)" to see a preview of the movie.

"STARS" - Returns for a special limited engagement

- **Tuesday, October 15** - Showtime 8 p.m.
- **Tuesday, November 5** - Showtime 8 p.m.

Every star has a story. Some are as old as time, faint and almost forgotten. Others burn bright and end their lives in powerful explosions. New stars are created every day, born of vast clouds of gas and dust. Through every phase of their existence, stars release the energy that lights the Universe. Journey to the furthest reaches of our galaxy and experience both the awesome beauty and destructive power of stars. Narrated by Mark Hamill, the EMU Planetarium's most popular show makes a special re-appearance this summer. Catch it before it's gone! Appropriate for ages 13 and up. Run time is 30 minutes. Each "STARS" show includes "Seasonal Stargazing" with a run time 15 minutes. Please visit "[STARS](#)" to see a preview of the movie.

"THE LITTLE STAR THAT COULD"

- **Tuesday, November 26** - Showtime 6 p.m.
- **Saturday, December 7** - Showtime 2 p.m.

"The Little Star That Could" is a story about Little Star, an average yellow star in search for planets of his own to protect and warm. Along the way, he meets other stars, learns what makes each star special, and discovers that stars combine to form star clusters and galaxies. Eventually, Little Star finds his planets. Each planet is introduced to your audiences with basic information about our Solar System. Run time is 35 minutes and is appropriate for all ages, recommended for families. K-6 Education Guides are available. Each "Little Star" show includes "Seasonal Stargazing" with a run time of 7 minutes. Please visit the "[Little Star That Could](#)" to see a preview of the movie.

"SEASON OF LIGHT":

- **Saturday, November 23** - Showtime 3:15 p.m.
- **Tuesday, November 26** - Showtime 7:15 p.m.
- **Saturday, December 3** - Showtime 8 p.m.
- **Saturday, December 7** - Showtime 3:15 p.m.
- **Tuesday, December 10** - Showtime 8 p.m.
- **Saturday, December 14** - Showtimes 2 p.m. & 3:15 p.m.

The EMU Planetarium presents an all-new show just in time for the holidays. "Season of Light" presentation traces the history and development of many of the world's most endearing holiday customs, all of which involve lighting up the winter season — from the burning Yule log, sparkling Christmas tree lights and candles in windows, to the lighting of luminaries in the American Southwest and the traditional ritual of the Hanukkah Menorah.

The show also recounts the historical religious and cultural rituals practiced during the time of winter solstice — not only Christian and Jewish, but also Celtic, Nordic, Roman, Irish, Mexican and Hopi. It also takes a look at some of our more light-hearted seasonal traditions: from gift-giving and kissing under the mistletoe, to songs about lords a-leaping and ladies dancing, and the custom of decking the halls with greenery and candles. St. Nicholas, Sinterklaas, Kris Kringle, Father Christmas, and Santa Claus all drop by as well.

Naturally, there is some astronomy in Season of Light. Audiences learn a selection of Northern hemisphere winter constellations, and find out why we even have seasons, as we demonstrate the Sun's path across the sky throughout the year, and the Earth's tilt and orbit around the Sun. And of course, the program explores the possible astronomical explanations for a "Star over Bethlehem" in the last quarter of the show: comets, meteors, novae and supernovae, and planetary conjunctions. Appropriate for all ages. Run time is 36 minutes. Each "Season of Light" show includes "Seasonal Stargazing" with a run time 15 minutes. Please visit "[Season of Light](#)" to see a preview of the movie.

Reminders

HONORS COLLEGE SEEKS FACULTY MENTORS: The Honors College seeks to identify faculty and administrators at EMU who have received or mentored a student for Boren, Truman or Rhodes scholarships. EMU has many students who would qualify for these highly competitive external scholarships and applicants will benefit greatly from advice from informed mentors. If you have received or helped a student apply for any of these awards, please contact Rebecca Sipe at rsipe@emich.edu. Involvement in this effort will provide university-level service on a mentoring group and include several meetings during the fall semester.

EMU FOUNDATION IS HIRING STUDENTS TO HELP WITH TELEFUNDRAISING EVENT: Are you looking to make a little extra cash? Do you enjoy talking on the phone? The EMU Foundation is looking for outgoing, friendly, TRUEMU students with excellent communication skills to join the Phonathon this fall to help the EMU Foundation connect with alumni and friends while raising needed funds to support Eastern Michigan University! Flexible night and weekend shifts available and training is provided. Shifts available November 2nd-December 4th. Apply online at: Phonathon.com and use Entry Code: EMU13F. For questions, please contact Jackie Richardson at 481-2330 or email at jthorpe@emich.edu. The EMU Foundation building is located at 1349 S. Huron St., Ypsilanti, MI 48197.

EMU LIBRARY'S ROBOTIC COLLECTION STORAGE SYSTEM CLOSURE: The EMU library's robotic collection storage system (known as The ARC) is closed through **mid-November**. During this time, materials will not be available from the ARC. Faculty, students and staff will be directed to inter-library loan options for titles needed. If you have questions, contact Brian Steimel at bsteimel@emich.edu or 487-2558 or contact Tara Fulton at tfulton1@emich.edu or 487-2573.

THE ACADEMIC PROJECTS CENTER OFFERS CONSULTING: The Academic Projects Center is open for drop-in consulting. The APC is located in room 116 of the Halle Library and the hours are 11 a.m. to 5 p.m., Monday through Thursday. The Center offers point-of-need help with research, writing, and technology to students working on research papers and other academic projects. For more information, please visit the [Academic Projects Center homepage](#).

DEPARTMENT DIRECTORY UPDATES: If your Department Directory listing is not accurate, please send the updated information to: dept_directory@emich.edu. For questions, contact Debra Burke at 487-6895 or by e-mail at dburke15@emich.edu. Please note that personal directory listings are populated by Banner and you will need to contact Academic HR or Staff HR to update personal listings.

POST AN EVENT TO THE EVENTS CALENDAR: To submit a new event, click on [Submit an Event](#), or go to the EMU website, click "calendars," then click the green button labeled "Submit an Event" (located on the bottom left) and enter your event information. If you need help or have questions, please contact Debra Johnson at djohn144@emich.edu or call 487-2484. All events are subject to approval.

On this day...

In 1933, Albert Einstein arrives in US, a refugee from Nazi Germany.

Quote:

"By three methods we may learn wisdom: First, by reflection, which is noblest; Second, by imitation, which is easiest; and third by experience, which is the bitterest." - **Confucius**

Fact:

[Guglielmo Marconi](#) (April 25, 1874 – July 20, 1937) was an Italian inventor, known for his pioneering work on long distance radio transmission and for his development of Marconi's law and a radio telegraph system. Marconi is often credited as the inventor of radio, and he shared the 1909 Nobel Prize in Physics with Karl Ferdinand Braun. As an entrepreneur, businessman, and founder of the The Wireless Telegraph & Signal Company in Britain in 1897, Marconi succeeded in making a commercial success of radio by innovating and building on the work of previous experimenters and physicists. In 1924, he was ennobled as a Marchese.
