UNITED WAY CAMPAIGN - "MISSION POSSIBLE": The United Way Campaign has begun on Eastern's campus. Every donation, regardless of how small is critical in addressing the underlying causes of problems and helping people who are faced with challenges move from crisis, to stability - to independence. When families are stable, when children succeed, when individuals stay healthy, our community is stronger. That's why United Way focuses on income, education and health - the foundation of stable families.

UNITED WAY does what no single organization alone can do. We bring together leaders from government, corporations, human service providers and the community to develop innovative solutions to local issues. We leverage funding for the network of programs that - together - can make a meaningful, measurable difference. TOGETHER, we can accomplish more than a single person, group or organization. United, we can inspire hope and create opportunities so that everyone can become independent. Our mission is to make our "local dollars change local lives."

It is quicker and easier to donate than ever before! From your My.Emich account, click on "[Click here to donate](#)" and follow the steps. Paper donations are also an option. Please see your United Way department representative or contact this year's chair, Kevin Kucera or Linda Moore at 487-8892 or Dawn Stovall at 487-1105.

The EMU Planetarium presents an all-new show just in time for the holidays. "Season of Light" presentation traces the history and development of many of the world's most endearing holiday customs, all of which involve lighting up the winter season — from the burning Yule log, sparkling Christmas tree lights and candles in windows, to the lighting of luminaries in the American Southwest and the traditional ritual of the Hanukkah Menorah.

The show also recounts the historical religious and cultural rituals practiced during the time of winter solstice — not only Christian and Jewish, but also Celtic, Nordic, Roman, Irish, Mexican and Hopi. It also takes a look at some of our more light-hearted seasonal traditions: from gift-giving and kissing under the mistletoe, to songs about lords a-leaping and ladies dancing, and the custom of decking the halls with greenery and candles. St. Nicholas, Sinterklaas, Kris Kringle, Father Christmas, and Santa Claus all drop by as well.

Naturally, there is some astronomy in "Season of Light". Audiences learn a selection of Northern hemisphere winter constellations, and find out why we even have seasons, as we demonstrate the Sun's path across the sky throughout the year, and the Earth's tilt and orbit around the Sun. And of course, the program explores the possible astronomical explanations for a "Star over Bethlehem" in the last quarter of the show: comets, meteors, novae and supernovae, and planetary conjunctions. Appropriate for all ages. Run time is 36 minutes. Each "Season of Light" show includes "Seasonal Stargazing" with a run time 15 minutes. Please visit "[Season of Light](#)" to see a preview of the movie.

HELP THE EMU CHILDREN'S INSTITUTE HELP ORPHANED KITTENS: The EMU Children's Institute has teamed up with the Michigan Orphan Kitten Rescue and Shoe Box Recycling to help local orphaned kittens. Please donate usable pairs of men's, women's and kids shoes to the Children's Institute, located at the Fletcher School on Cornell. The money raised from the sale of the used shoes will be donated to the rescue. To date the Children's Institute has helped raise over \$500 for the Michigan Orphan Kitten Rescue through shoes that have been donated. For questions or additional information, email mokr@mikittens.org or visit the [Michigan Orphan Kitten Rescue homepage](#) or go to the [Michigan Orphan Kitten Rescue Facebook page](#). You can also contact Tracey Buhinicek at the Children's Institute at 487-2348 or email at tbuhinice@emich.http://mikittens.org/

HONORS COLLEGE SEEKS FACULTY MENTORS: The Honors College seeks to identify faculty and administrators at EMU who have received or mentored a student for Boren, Truman or Rhodes scholarships. EMU has many students who would qualify for these highly competitive external scholarships and applicants will benefit greatly from advice from informed mentors. If you have received or helped a student apply for any of these awards, please contact Rebecca Sipe at rsipe@emich.edu. Involvement in this effort will provide university-level service on a mentoring group and include several meetings during the fall semester.

EMU LIBRARY'S ROBOTIC COLLECTION STORAGE SYSTEM CLOSURE: The EMU library's robotic collection storage system (known as The ARC) is closed through **mid-November**. During this time, materials will not be available from the ARC. Faculty, students and staff will be directed to inter-library loan options for titles needed. If you have questions, contact Brian Steimel at bsteimel@emich.edu or 487-2558 or contact Tara Fulton at tfulton1@emich.edu or 487-2573.

THE ACADEMIC PROJECTS CENTER OFFERS CONSULTING: The Academic Projects Center is open for drop-in consulting.
