The EMU Planetarium presents an all-new show just in time for the holidays. "Season of Light" presentation traces the history and development of many of the world's most endearing holiday customs, all of which involve lighting up the winter season — from the burning Yule log, sparkling Christmas tree lights and candles in windows, to the lighting of luminaries in the American Southwest and the traditional ritual of the Hanukkah Menorah.

The show also recounts the historical religious and cultural rituals practiced during the time of winter solstice — not only Christian and Jewish, but also Celtic, Nordic, Roman, Irish, Mexican and Hopi. It also takes a look at some of our more light-hearted seasonal traditions: from gift-giving and kissing under the mistletoe, to songs about lords a-leaping and ladies dancing, and the custom of decking the halls with greenery and candles. St. Nicholas, Sinterklaas, Kris Kringle, Father Christmas, and Santa Claus all drop by as well.

Naturally, there is some astronomy in "Season of Light". Audiences learn a selection of Northern hemisphere winter constellations, and find out why we even have seasons, as we demonstrate the Sun's path across the sky throughout the year, and the Earth's tilt and orbit around the Sun. And of course, the program explores the possible astronomical explanations for a "Star over Bethlehem" in the last quarter of the show: comets, meteors, novae and supernovae, and planetary conjunctions. Appropriate for all ages. Run time is 36 minutes. Each "Season of Light" show includes "Seasonal Stargazing" with a run time 15 minutes. Please visit "[Season of Light](#)" to see a preview of the movie.

On this day...

In 1993 - In Washington, DC, the Vietnam Women's Memorial was dedicated to honor the more than 11,000 women who had served in the Vietnam War.

Quote:

"Let every nation know, whether it wishes us well or ill, that we shall pay any price, bear any burden, meet any hardship, support any friend, oppose any foe to assure the survival and the success of liberty." - **John F. Kennedy**

Fact:

The [Mayflower Compact](#) was signed aboard ship on November 11, 1620 by most adult men. The Pilgrims used the Julian Calendar, also known as Old Style dates, which, at that time, was ten days behind the Gregorian Calendar. Signing the covenant were 41 of the ship's 101 passengers, while the *Mayflower* was anchored in what is now Provincetown Harbor within the hook at the northern tip of Cape Cod.

The Mayflower Company was the first governing document of Plymouth Colony. It was written by the Separatists, sometimes referred to as the "Saints", fleeing from religious persecution by King James of England. They traveled aboard the *Mayflower* in 1620 along with adventurers, tradesmen, and servants, most of whom were referred to, by the Separatists as "Strangers."
