NORMALS DEFEAT THE DETROIT Y. M. C. A. 4-2

Lawson Sets Strikeout Record for the Normal Field

The Normal summer school base ball team again checked up in the winning column when it administered a 4-2 defeat to the Detroit Y. M. C. A. aggregation Saturday at Normal field. This was the best game of the Normal season thus far, in spite of the fact that the error column was visited often by both teams.

The work of Lawson for the Normals in striking out 21 Detroit batsmen is one of the most brilliant feats ever performed on the local field. Every man on the Detroit team fell a victim to his delivery at least twice. Lawson's pitching was sensational. In the previous contest against the University of Michigan he was inclined to be very wild, passing five and hitting one, but only one of the thirty-four men who faced him Saturday was given free transportation. His wildness last Saturday was probably due to nervousness.

Miller, the opposing pitcher, also pitched a good game. He retired but two Normal men on three strikes but whenever the ball was hit it went straight into the hands of some one of his teammates.

Shaffer and Foley shared the batting honors for the Normal. The former connected for a single and a double while the latter is given credit for two singles.

Neither team scored until the sixth when Lumley the first man up, hit for two bases. Langton followed and struck out. Bell then bunted down the third base line. Foley could not get the ball in time to try for either man. Lawson then threw to catch Bell off first but the peg was low and Lumley scored while Bell went to second. Miller and Martin struck out in order.

The Normal tied the score in their half of the sixth. Lawson reached first when Martin dropped his high fly. His next play was to steal second with no one out. Had the throw been good he would have been caught but luck was breaking his way and by the time the Detroit outfield had recovered the ball Lawson had tied the score.

Detroit again took a one run lead in her half of the seventh. Kuhlman reached first on Foley's error, went to third on Fisher's hit and scored on a sacrifice by Shumway. In the last two innings Detroit was unable to

Summer School Chorus Made First Appearance Last Night

The Summer School Chorus made its first appearance at the last Monday evening concert, singing Gounod's superb "Sanctus" with violin obbligato and accompaniment of piano and organ. The singing was marked by carefully graded nuances, beginning in a hushed pianissimo and growing interestingly to a splendid fortissimo at the phrase "God of Hosts." The finale was taken in a gloriously full and steady tone, voicing well the eloquence of the composer.

A new soprano, Miss Bivins, delighted the audience with her clear and attractive voice. Besides sustaining the Solos of the Sanctus, Miss Bivins presented another Gounod air: "The Light from Heaven" with ensemble accompaniment and later a group of modern songs.

The conservatory faculty was further represented by Miss Alice M. Lowden, pianist, whose playing of Rubinstein's lovely Barcarolle in A minor was charming. The Chopin waltz was brilliantly clear and interesting.

Miss Elsie V. Andrews represented the organ class; playing the first

MANY MEN AT WORK

Foreseeing Hard Schedule Football Candidates Begin Preparation

Summer football practice. That is what we are having here at the Normal. Every big school of athletic importance now has this preparatory training before the season begins and we do not deign to be any exception to the rule.

Each afternoon a squad, composed of several men, is seen chasing an oval object back and forth across the Training School playgrounds. This extremely warm weather is anything but conducive to the football spirit for most of us, but foreseeing a hard schedule this fall, several of the enthusiasts have begun real work in preparation for it.

The team this fall should be one of the best that ever represented the Normal, nearly every man of last year's squad being available. Several new men have also signified their intentions of being in school next fall and trying for the team.

Unless Capt. Kishigo is engaged in some strenuous physical exercise this summer he will be compelled to work overtime under the street lights the first few weeks of the fall term in order to keep pace with his proteges.

CHAUTAUQUA PROGRAM BEGINS NEXT TUESDAY

Many Attractive Features in This Summer's Entertainment

Next week on Tuesday the great Redpath Chautauqua will open a week's program in Ypsilanti. Although this has no direct connection with the school it will prove one of the great attractions to a large proportion of the students who are here for the summer.

President McKenny has used his influence with the chautauqua management and has secured a price so low that there is no reason why every student should not attend. As there are twenty entertainments in the course, three each day except Tuesday, the price of the entertainments for students will be only about six cents each.

One of the most attractive features of the course will be the performance of Shakespeare's great comedy, "Twelfth Night," by the famous Ben Greet players who are so well known all over the United States and England.

Another feature of unusual interest will be the grand two day musical festival which will include two band concerts by Kryl's famous band, the Denton Grand Opera Company, a concert by the Westminster Choir and a recital by the noted dramatic baritone, Marcus A. Kellerman.

The lecture program offers equal promise of entertainment and instruction with such successful lecturers and entertainers as Sprague, Flowers, Nolan and Wendling. The morning hour lectures will be by Prof. C. M. Sanford who will discuss a number of live topics of great interest.

Primary teachers will be especially interested in the work with the children in story telling and playground work. This work will be in charge of Miss V. E. Swanson, a specially trained worker in this line.

Taken all in all next week promises to be a very busy and pleasant one for the summer school students. The sale of tickets started today and there is a good prospect that the number sold will be some larger than last year when nearly 800 students attended the Ypsilanti chautauqua.

The entertainments will be held in a mammoth tent on Hamilton street a block south of Congress street.

VISIT NIAGARA FALLS

An even score of western mounds, all youthful and attractive schoolma'ams attending the summer school at Michigan State Normal School, made Falls Street talk perk up and take notice when they sallied up the thoroughfare Thursday morning on the forty seats of a rollerneck autobus. Prof. W. H. Steyer was in charge of the young women. They made headquarters at the International hotel and will remain until Sunday morning in the party are the following:

Margaret Asmilling, Greenfield, O.; Dorothy Bell, Norman, Mich.; Florence De Land, Jasper, Mich.; Ethel Davidson, Chelsea, Mich.; Alma Dudd and Flora Dudd Smith's Creek Mich.; Rachel Duncan and Effie Evans, Greenfield, O.; Lyda Gill, Ishpeming, Mich.; Laura Haskell, Port Huron, Mich.; Ethel Lisa, Bay City, Mich.; HESSIE MORGAN, Bryan, Texas; Lula Nye Madison O.; Mildred Piper, Paducah, Ky.; Marie Young, Greenfield, O.; Maurie Spaulding, Chelsea, Mich.; Margaret Willett, Greenfield, O.; Alice Montgomery, Bryan, Texas.

International News
An interesting description of the trip will appear to the next issue.

ENJOYABLE PROGRAM

(Continued from first page)
movement to Widor's Fifth Symphony with splendid dash and verve.

Following is the complete program:
Organ solo, Allegro vivace (Widor) from Syphonie V, by Miss Elsie V. Andrews, organ class, 1915.

Soprano solo, The Light from Heaven, (Gounod) by Miss Alice Bivins, accompaniment for violin, piano and organ.

Trio, Andante Religioso, (Thome-Guilmaut), Miss Abba Owen, violin; Miss Mary Dickinson, pinno; Professor Alexander, organ.

Songs—(a) My Lover, He Comes on the Snee, (Cloughleighlet); (b) Candle lightin' time (Coleridge Taylor) (c) A Birthday (P. H. Cowen), by Miss Alice Bivins.

Chorus, Sanctus, (Gounod), Summer School Chorus—Frederick Alexander, conductor; Miss Alice Bivins, soprano; Miss Abba Owen, violin; Miss Francis Strong, organ.

Next Monday the Chorus presents a varied program of modern compositions. Their program will be given in detail in our next issue.

MR. CHAS. G. STRATTON, '14, WEDS

Announcement has been received of the marriage of Miss Ada Ruby, of Bay Port to Mr. Chas. G. Stratton, June 30, at the home of the bride. Miss Ruby is a graduate of the Mt. Pleasant Normal at which place Mr. Stratton made her acquaintance a few years ago while attending that school.

Mr. Stratton took his A. B. degree from this institution last June. For the past two years he has been an instructor in the geography department. He is a member of the local Kappa Phi Alpha fraternity. While here Mr. Stratton has made a large number of friends who wish to extend heartfelt congratulations.

Mr. and Mrs. Stratton took a trip to Niagara Falls immediately after the nuptial proceedings and visited this city on their return trip. They will be at home at Coloma after Sept. 1.

NORMALS DEFEAT DETROIT "Y"

(Continued from first page)
reach first. Six men faced Lawson in these two innings and five of them were retired via the strike out route.

The Normal's big inning came in the eighth, three runs being scored during this session. Poxon allowed one of Miller's floaters to nick him. Davis followed by laying down a neat bunt on which both runners were safe. Van Thurn duplicated, filling the bases. Foley followed with a timely hit scoring Poxan and Davis. Shaffer also registered a hit in this inning when he doubled, scoring Van Thurn.

PROF. MCKAY GIVES ADDRESS

Miss Pearson the Y. W. C. A. secretary, who was to have spoken at Starkweather Hall Sunday was unable to be present and probably will not be able to visit the Normal S. C. A. this summer.

Prof. McKay proved a most entertaining and inspiring substitute for the occasion. His subject was "The Battle Worth While". The abounding life of the world, he says, presents many struggles—struggles for a place to grow, for the food needed, etc. Man's great struggle is the struggle for moral growth. To continue the struggle is often most difficult, to recede is easy. We have enemies to conquer if we would win. The lack of faith, the carelessness, the pettiness, the ignoble thoughts, are foes to our moral growth. The struggle against them must go on if we are to become leaders, able to influence and help others. As we leave our college life we should carry with us the determination to put our training to account. God's work needs our support, and our lives should be spent in the struggle for moral growth and moral leadership He asks of us.

The attendance was excellent, numbering about 160. A vocal solo by Miss Kincey and a violin duet by Messrs Lockwood and Evans were greatly appreciated by those present.

ROAST GREATLY ENJOYED

The marshmallow roast given by the S. C. A. last Friday was a decided success in point of numbers and pleasantness. Meeting at Starkweather Hall at 7 p. m. the members, about 225 in number, proceeded to Peninsula grove. There in one of the more open places overlooking the river, the fires were kindled and the earlier part of the evening spent in playing games within the "charmed circle" of their light. The roasting of marshmallows concluded the fun of the evening. A fine attendance, a cool evening, the beauties of Peninsula Grove and all the delights of a "roast" contributed to make the occasion most enjoyable.

FINAL S. C. A. PARTY FRIDAY

Because of the Chautauqua from July 27 to August 2, the S. C. A. party this week will be the last of the series given during the Summer Session. A lawn party with very interesting and unique features is being arranged. We hope to make this final party the biggest and best of the series. You can help us by being present.

The date has been changed to Friday, July 24 instead of Saturday as was announced. Plan to be present.

LOST July 14th; on or near the campus, a small gold and pearl pin, mits tletos pattern. The finder will confer a great favor by returning to the general office.

SCIENCE DEPARTMENT NOTES

As a part of the regular course in Heredity and Eugenics, Professor Smith will lecture on Mendel's principles of heredity, Wednesday and Thursday (July 22 and 23) at 3 P. M. in Room A, Science Building.

EXCURSION TO ANN ARBOR

There will be an excursion to the University of Michigan Campus Saturday, a. m. July 25. Those wishing to make this trip should see Prof. Norris in room 35, at 7:30 a. m. or 2:50 p. m. any day this week.

TO VISIT DETROIT PLAYGROUNDS

Friday, July 24th, there will be an excursion to Detroit to visit a few of the representative playgrounds. If a small party go, the expense will be \$1.20, which will include fare both ways and dinner, but not car-fare to and from the playgrounds. This will be paid individually there. If a sufficient number go to have a special car, the expense will be less. Leave names with Mrs. Burten before noon Tuesday, July 21st.

THE LIBRARY

The Library is open the same hours in Summer School for the first time, as during the year—that is, from 7 a. m. to 9 p. m.

The Training Department Library, with 1,000 volumes, is open from 9 to 12 and 1 to 5, and serves as a good working laboratory for the large classes in Literature for the Grades.

The Reference Librarian, Miss Andrews, has placed a good collection of travel folders and time tables on a convenient table for those interested in vacation tours.

BASE LAKE EXCURSION

On Saturday, July 25, there will be an excursion to the beautiful lake region of the Huron river. The party will leave at 8:24 a. m. on the inter urban car, and at Ann Arbor change to the Ann Arbor railroad for Lakeland. From Lakeland the transportation will be by launch through the chain of lakes to Base Lake. A field trip will give an opportunity to study the fauna and flora of this interesting region. This is one of the most enjoyable and profitable of the summer school excursions. As the number is limited, those wishing to take part should notify the undersigned at the Zoological Laboratory, Room 31, Science Building, third floor; or by postal card address to 123 College Place, before Monday evening. Lunches will be carried. Expense for transportation, \$1.70; this will include a long ride on the lake.
