# EMU Today

Tuesday, April 29, 2014

## On this day...

In 1968 - The controversial musical **Hair**, a product of the hippie counter-culture and sexual revolution of the 1960s, opens at the Biltmore Theatre on Broadway, with its song becoming anthems of the anti-Vietnam War movement.

**Quote:** "We must have courage to bet on our ideas, to take the calculated risk, and to act. Everyday living requires courage if life is to be effective and bring happiness." - **Maxwell Maltz**

**Fact:** The **National Road(Cumberland Road)** was the first major improved highway in the United States to be built by the federal government. The approximately 620-mile long National Road provided a connection between the Potomac and Ohio Rivers and a gateway to the West for thousands of settlers. When rebuilt in the 1830s, the Cumberland Road became the first road in the U.S. to use the new macadam road surfacing.

**SUPPORT EMU STUDENT SCHOLARSHIPS BY BUYING AN "E" LICENSE PLATE:** This valuable program allows the Alumni Association to help children of EMU alumni attend Eastern, achieve their dreams and continue the EMU legacy. As you renew your license plate, please consider supporting deserving students by purchasing an "E" plate. The plates cost \$35 above the annual vehicle registration fee for a regular plate, with \$25 of that fee going directly to the program. If you already have an "E" plate... don't forget to specify on your renewal form that you want to keep it. The renewal fee is only \$10 above the regular registration fee, with that \$10 going directly to the program. It's a great way to show your pride in Eastern and promote EMU in the community.
