FRENCH PLAYS TO BE GIVEN

CERJE FRANCAIS MEMBERS ARE WANTED FOR THE TWO-NIGHT ONE-ACT PLAYS

In the near future two one-act French plays will be presented under the auspices of the Cercle Français. French students by the French department, and French majors who have taken a tour, have been given the opportunity to stage a one-act play. The plays will be presented by "La Faute à Voltaire," a group of three students, and "Les Ménagères," a group of nine students.

The plays will be presented on March 15 and 16 in the auditorium of the Palmer School. The audience is invited to attend and enjoy the French students' talent and insight into the French culture.

DEBATING TEAMS NEARLY READY

The two teams that will debate Detroit Junior Colleges are now arranging intensive training to be ready for the day of the contest approaches. Under the direction of Mr. Sherzer, the teams have been working hard on their arguments and delivery, and we look forward to a good double victory. Both teams have done considerable research work and have compiled a large and varied corpus of material. The debate is to take place on the week of March 15. The subject to be debated is Japan, and the teams are working hard on their arguments and delivery. We look forward to a good competition, as both teams have excellent qualifications.

CHIMNEY CULTURE

The members of the Chemistry department will be pleased to announce that the Detroit Junior College will be visited by Mr. Thomas, a member of the National Bureau of Standards, on March 15. Mr. Thomas will be available to answer any questions that the students may have, and will also give a lecture on his experiences in the laboratory.

All Chemistry Club members who are interested are urged to attend the Chemistry department talk. The cost of the talk is not to be determined at this time, and the talk will be given in the auditorium of the Palmer School.

MODERN LANGUAGE DEPARTMENT

Three hundred students have entered the Modern Language Department this year, in work ranging from elementary grammar and phonetics to advanced conversation and literature. A course in Scientific German, also, was given for two terms.

Professors of the Cercle Français has held open house to its friends and listened to interesting addresses. Everybody remembers Miss Lyon's charming account of her life in Spain.

In the near future the department will present two one-act plays in the College Theater and everybody is apt with interest. What else? Consider the following:

WEDDING BELLS

HUGUE-ABRUR

Announcements have been received of the marriages of Miss Helen Ab- hur and Mrs. Joseph Abrur. Miss Abhur is a student on the kindergarten staff.

The two teams have been busy preparing for the competition, and we look forward to a good double victory. Both teams have done considerable research work and have compiled a large and varied corpus of material. The debate is to take place on the week of March 15. The subject to be debated is Japan, and the teams are working hard on their arguments and delivery. We look forward to a good competition, as both teams have excellent qualifications.

ARE YOU A WORKER OR A DRONE?

We have an opening for two men or two women who are anxious to make money and have ambition and personality to sell our well-known line of industrial paints and roof coatings. Our good name is sold to Industrial Paints, Public Buildings and Public Utilities everywhere, and the demand for the products is ever increasing. We also serve the home market with a line of paints and primers for industrial and decorative purposes. For full information and references contact the sales manager of our company, who has at least two years' experience (Continued on next page).

SPECIAL EDUCATION COURSES OFFERED
(Continued from page 201)

The high school held a preparation equivalent to that of a graduate of a standard high school. However, exceptions to this require­ment will be made in the case of persons who have had successful teaching experience, but who have not had a normal school education or its equivalent. Applicants should submit their testimonials and recom­mendations early, so that they may receive a reply before the opening of the summer school.

Credit for all courses in this curric­ulum will be given either at the Michigan State Normal College or at the Detroit Teachers College. Two hours credit will be given at the Detroit Teachers College and correspond­ingly credit at the Michigan State Normal College.

Board and Room
Board and room can be obtained in the neighborhood of the school or in other parts of the city as desired. Lists of approved boarding and room­ ing houses will be supplied by the college at the opening of the season.

A NEW DEVELOPMENT

It has been felt for some time that teacher-training institutions should offer more extensive curricula for the training of teachers of special education than those afforded in the summer school sessions. Many superintendents feel that the summer courses are not sufficiently valuable as far as so great an obligation is concerned. This is an important requirement of this work. Many teachers desire opportunity for further study along these lines. In order to meet this growing demand, the State Nor­ mal College and in cooperation with the Detroit Teachers College has estab­ lished a center at the latter institu­tion for the training of teachers in all fields of Special Education.

For special announcement address Prof. Charles E. Elliott, Detroit Teachers College, Detroit, Mich.

PRESBYTERIAN STUDENT FORUM

The Presbyterian Student Forum will meet with Prof. and Mrs. Ross, 218 N. Hamilton street. Sunday af­ ternoon at five o'clock. John Hub­bard, one of our own graduates, will talk on "Life in Fowndation" and Miss Dorothy Wood will sing. Supper will be served. Come and bring your friends.

The fourth grade presented a most delightful Hawaiian program Friday morning. Miss Dorothy Wood sang a Hawaiian song and Miss Gehr told a legend of these islands. Professor Sherzer gave an interesting account illustrated with slides of his visit to some of the many unique places on the islands.

Miss Ella Robb of the M. A. C. grade illustrated the several phases of Boys' and Girls' Club Work on Tuesday and Wednes­day. May 10 and 11 at 4 o'clock in Room 2. All who expect to teach in rural and village schools are invited to be present.

Among the many superintendents who have been business visitors at the Training School are: Lane of Moselle, Poor of Traverse City, Whitcomb of Pershing, Misses of Marysville, Musselman of Youngs­ville, Sherzer of Marne, and Prof. and A. B. Baking Co. Ice Cream

WEBB & MARRS
The Normal College is most fortunate in having Dr. A. K. Foster, still the champion May 11.

Dr. Foster has had a wide experience in his work overseas and comes to us from New York City where he is at the head of the educational work of the Episcopalian Church.

Last year he was a member of the faculty at the Lake Geneva Conference of the Y. W. C. A. and those who heard him then are glad of the opportunity to hear him again. He will speak at Elmhurst Tuesday, May 11 at 9:45. All are welcome.

**Brown Goes to South Dakota**

Arold W. Brown, editor of the Normal News and president of the Michigan Intercollegiate League, left on Tuesday evening for Elmhurst, Garden City, Oklahoma, where the inter-state Oratorical Contest will be held May 9. Conventions of Abilene will collect for national honors at that time. The national contest will be held in Michigan next year, according to the rules of the organization.

**CAP AND GOWN**

In accordance with ruling of the state board of education, graduates of this college will wear cap and gown commencement week. The degree students will wear the traditional black gown and the life and normal certificate students the gray.

Measurements will be taken on May 13 in the Administration Building on Wednesday, Thursday, and Friday, May 11, 12, and 13, from 2:30 to 4:30 p.m. The charge, which must be paid at the time of ordering, is $1.00 for women, $1.50 for men. Five dollars students, $1.50 for women, who received the life or normal certificate $25.00 for men and $30.00 for women. Students must present picture, cap and gown to have cap and gown.

**Sororities**

**Delta Sigma Epilson**

The Delta Sigma Epilson sorority's annual banquet Monday evening, at which time Almena Wallace and Irene Prasenzoe will be initiated. The society has just completed its pledge to the National Relief Fund to the extent of fifty dollars for the Grand豫surer. At the meeting next week, a program is to be given in honor of Mother's Day.

**Alpha Sigma Tau**

The Alpha Chapter, cousin of the Alpha Sigma Tau sorority gave an "At Home" to the Alpha Chapter Alumnae and active members Saturday afternoon, at the College Club. Denver. Fraternity invitations were offered, after which the sharing of good coffee and readings was given.

On Wednesday evening, May 4, the Coastal Bend County Chapter discussed a very interesting talk by Ruth Cabaniss on her experiences in Alaska. Mr. Robertson has spent two summers in Alaska. The meeting will be held in Room A, Science Hall. There was a good attendance.

**Shirts**

$1, $1.50, $2, and up

**Collar Attached Shirts**

$2, $2.50, $3 and $4
