Our football prospects

The best in many years

New men join with old in preparing for first game

We play assumption tomorrow at 1:30

Our assumption has good team, should be first game

Once again for the call for football candidates.

This year the boys, last year's 1920s, who have so much needed the call are: Henry, E. C. F. O. E. R. G. E. T. M. S. R. E. G. D. and your college.

The material out for practice this year is the best in the history of Normal. Although in a very immature state at this time, the materials are likely to develop into a strong division of athletic strength.

Two prominent speakers for mid-year meeting

The Mid-Year Conference is a two day convention of all the live-wire teachers in Michigan. It was started a few years ago, if we remember correctly, and has been a great success every since. It meets annually at M. S. N. C.

It will be held this year on January 19 and 20. Two prominent speakers have already been secured by Charles Williams, president of the National Organization of Women. The second speaker, the Arctic explorer, is probably that interesting gentleman, Commissioner of Education of New York, who will say more on the pro's.

Physical ed. dept. is over flowing

Over 200 students now enrolled. Extra teacher is enlisted

Mr. Bowen says that there are 127 students registered for the middle and department and 75 students for the upper classes. He states that the number has increased since last year, and that the department is making good progress.

Examination dates

May, you are putting the Physical Education Department to a whole lot of unnecessary troubles by breaking the regulations about examination. Every man must take an examination at the appointed hour.

Miss E. M. Wilson will be speaker at an institute at Mt. Pleasant on October 28th.

Debating has continued

The men of the debating society have been very active this year. They have had several meetings and have been working hard to prepare for the coming debates. The society is composed of faculty members and students.

The purpose of their meetings is to prepare for the upcoming debates. They have been working on topics such as the effect of modern technology on society and the role of religion in contemporary society.

Friends of both will be interested to know that Robert Spiter, who is expected to be a prominent figure in the field of religious education in the future, has accepted an invitation to speak at the Normal College. His lecture will focus on the role of religion in shaping modern society.

The Debating Society is proud to announce that they have secured an impressive list of speakers and topics for the upcoming debates. They are looking forward to a exciting and productive year.

**LIBRARY**

Several changes are noted in the library staff this year. Mr. Frederick Cleveringa returns after an absence of four years spent in business, and in war service as librarian at Camp Carter. He resumed work in July when he received a cordial welcome. Miss Mary Moffatt, an assistant in the bindery department for the two years' course of the New York Public Library School, comes to us from the Traverse City public library. She is a graduate from the New York public library. Miss Helen L. Cather, K. D., Education by Story, teaches English in the Cass Technical High School, Detroit, and also teaching in the public library at Portland, Oregon, where she was in charge of the largest branch library, having previously worked in the New York public library. She is a graduate from the two years' course of the New York City public library. Miss Sarah Putnam is teaching English at the Cranston Technical High School, Detroit, and also acting as assistant in the library.

New members of the staff are Miss Martha Rossenther from the public library at Portland, Oregon, where she was in charge of the largest branch library, having previously worked in the New York public library. She is a graduate from the two years' course of the New York City public library. Miss Helen L. Cather, a graduate of the Carnegie Library School, Pittsburgh, with previous experience in college library work, comes to us from the Traverse City public library. The Michigan State Library Association held its 31st annual meeting in Detroit October 6, 7, and 8. Miss Wilson had a place in the program, and nearly all of the staff were in attendance.

Many interesting new books are coming daily to the library. One contains a contribution by Dr. Isiah Bowman, an alumnus of the Normal College, who was Chief Territorial Adviser of the American Peace Commission. He contributes the chapter on Constantinople and the Balkans in the volume, "What Really Happened at Paris," edited by Edward House and Charles Seymour.

L minds are working in thinking the birds a menace. They destroy the insects and caterpillars.

"But, Mr. Smith, you say they eat fruit, too, at one time if you are watching them."

KNOWING THE BEETLE.

The Permit's table, to follow-beetle's -all just of, biology does not teach the creatures of a life's or better more, that a potential hit has served each one of these at this moment.

The Landscape-its crazy. "You have a need to realize your, Mr. Smith, that you may hope at once if you are disturbed."

"What is the hardest thing about watching when you're learning?"

"The fact.

ONE EXCUSE.

Prof. "-Nothing, I was riding a bicycle without a saddle."

But do you have a seat?"

Prof. "-Well, yes, in public."

Broken Skirt - Thirty Days."

"Say, you've a lap down. That's a good doggie. Lay down, I tell you, you'll have to say, like a mother terrier."

YOU'RE YOUNG.

"But you're young."

THREEACTS SELECT VAUDEVILLE.

Sunday, Oct. 9-10 - The Greatest James Dean."

"Oh, you'll have to say, 'I'm a Boston terrier."
