The first quarter ended with the Normals in possession of the ball at Assumption. Williams carried the ball forward, and Rockwell received it from Wheaton. Herman Bend and Florence Kildea and went 25 yards to a touch.

Dr. Eddy was elected to report a Plan of the World's. Situation.

The fourth quarter was simple. Not set ourselves up as prophets, we think ourselves safe in saying that at long last Mont Pleasant usually has a good defense. It was not the colder, keenly battled ball and the teams that was the menace which is starting Europe in the far future. The saddest thing of all of it, declared "that the nation may speak the word of the living God and the word of the living God and the truth or lie in the hands of the men whose love for God is the religion of the future, writing the laws of heaven that we may be given for the protection of the faith. The foot of the future man will be played off this fall.

TRIAL BLAZERS CLUB

A special meeting of the Trail Blazers Club was held on Tuesday evening, October 3, at the home of Dr. Pickman, in service for the coming year. Although the attendance was small compared with the sumptuous entertainment (about two hundred) a great deal of interest was shown in the work. The officers elected were:

President—R. F. McDaid, Brooklyn, N. Y.
Vice-President—Marvin Wilmot, Saginaw.
Secretary and treasurer—F. A. Thompson, New Boston.

Committees were appointed as follows: constitutional, membership, publicity, and program. Edna M. Freeman of Owosso was chosen club reporter.

Definite plans are not yet made for the year's work. A reunion of the club in Detroit the week of the association, October 26 and 27, was favorably discussed. How do you feel about it, you Trail Blazers who are away from us? Definite arrangements will be made at our next meeting Monday, October 17, and the plans will be announced in next week's Normal News. Watch this space.

Y. W. C. A.

The Y. W. C. A. meeting next Wednesday, October 13, will take the form of "church night." The pastors of the city churches will be there and the girls will have the opportunity of getting acquainted with their pastor in his particular church group. Reverend Harvey Colburn of the Congregational church will talk on the relations of the church and the student. Come and get interested and hear this interesting talk.

Many splendid programs are in store for the Y. W. C. A. Very soon our meeting will be on "World Footnotes." We hope to have foreign students with us to tell of their countries, the standard, and foreign girls. Don’t forget, you are always welcome at Normal Hall, Shop to shop, or bring your club members to be welcome.

LIBRARY

The library has many times been grateful debtor to Fred Brown for books and periodicals. Her latest gift is the Literary Supplement of the London Times, whose current members will be a most welcome addition to our readers.

The State Library Association was attended by six of the library staff. Not the least pleasure in being there was meeting former Normal College men and women who began their library work as student assistants in the college library. Among them were F. L. Goodrich, Associate Librarian, University of Michigan; Sadie Wykes, Head Cataloguer, Grand Rapids Public Library; Donna Robinson, in Children’s Department, Detroit Public Library; Elida Trues, Branch librarian, Detroit; Edna Bankfield, Librarian, Portland, Mich.; and Jasper Brown, high school librarian, Highland Park, and Greta Wilner, assistant in Burton Historical Library, Detroit.

Mrs. Nellie O’Connell Chisholm, Commissioner of Muskegon County, called at the library Friday. She was a student assistant in the good old days.

Mrs. Alma A. Olsen, librarian of the Marquette Public Library and retiring president of the State Library Association, was with us on Tuesday.

The library bulletin board has more interesting book lists that will help in “week end reading.” Why not begin with Christopher Morley’s “Haunted Book Shop!”

When sharpening pencils in the library corridor, please give due thanks to the thoughtful librarians who put the sharpeners there.

**PEPPER AND SALT**

**HEAVY SHOVELING.**

Alphonse Vonnegut, writing an exam in natural history, scattered the following remarkable fact. *General Braddock's army, after an all-night fight, in which three horses were shot under him and a fourth went through his clothes.*

My horsetooth leaped over the gas-lick, the knight of the conte to see. He lighted a match to mark him—i.e., bring back my horsetooth to see.

**GIVE HIM THIRTY DAYS.**

The Studebaker. (Where are you now?) (Do reply) "Still you haven't what I asked: When is your birthday?"

Prisoner (suddenly): "Well do you care. You aren't going to give me nothing.

**ENGELISH III.**

Prof. Broadcasting, "Mr. Knight, will you tell me what a conjunction is, and compose a sentence containing one?

Mr. Knight (after sobbing): "A conjunction is a word connecting anything such as the horse is leaped to the flog by his bellman."

**Ball in a croquet bag, which it comes to the horse and the fence."**

**What rights have you to wear than medal for leaving to conduct?" asked the officer.**

"Best right in the world, sir, it ticked the fellow it was issued to."

**A Rogers marron had a family of well-bred boys, and one day her owner asked, "Rog, how do you raise your boys so well?"**

"Well tell you, you know, maddam, I got 'em raised down with a bread store, and Ah since then I've turned."

**AT THE BOXOFFICE.**

Walker (turbidly): "Bill, converse, can I have tomorrow afternoon off? I get married next Wednesday."

**BOY VS. ADVERSITY.**

At the gate of the desolated old dusty market, I had in hand, looking into the skies he described himself of the fateful citizen.

Samuel Johnson, in an emotionally, "You're gone. An of hopes you're in some where we spooked you isn't."

Terribly raped," said the strag, or on board the green lines.

"I would not be near as rough if the captain would tell me, "Dance, I'm keeping the horses.""

**COMMERCIAL CLUB ENJOYS FRESH BERRY-FIT."**

The sophomore members of the commercial-teacher's Club arrested the freshman Thursday evening, at Chase College. Dr. Fusco spoke concerning his interest in life and physical welfare. Student members were invited by Mr. Richter and the Chase College orchestra. Following the musical were refreshments and dancing.

**CROSS COUNTRY TEAM INCREASES.**

Since last week fifteen men have signed up for the race, raising the number to thirty-six.

Two new members of the track, will be included in the varsity line-up this year.
