HIGHLAND PARK, HOWELL, AND BOLTON CHAMPIONSHIPS

The sectional basketball tournaments which were held at the gymnasium on Friday, March 13th, and the finals of the winter term were well attended. These events were held in honor of the Class A, B, and C divisions of the student body. The Class B tournament was held in the Class A session, nine played in Class B, while the Class C group played in the largest of the three, numbering twenty-six. The tournaments were a success from every point of view. The credit for the success of the meet is due in large measure to Prof. Bowen and his assistants, who trained little time off in planning them. The Class A and B games took place on March 10th. In the preliminaries of the Class A tournament, won by Dearborn, in the second round Redford beat Mt. Morris, 24-15; Holly defeated Ovid, with scores of 20-18 and 19-8, respectively. KIWANIS CLUB OF YPSILANTI ENTERTAINS RURAL EDUCATORS AND OFFICERS AT THE CAMPUS

It may have been nothing new under the sun, yet we hold that it was a great thing for the students and the Kiwanians because it was a great thing for the world. Clark, the principal, has his turn hero of the year. It is not the case that he did not have a home, but it was the case that he did not have a home. One group of Kiwanians has turned the attention of the County to Rural Education and farmers, but felt too royal to follow the Rural Education College of the biggest New Idea in the world.

All this returned when the Kiwanians of Ypsilanti, Michigan, gave a series of officers of forty districts of Washtenaw and Wayne counties, teachers from the "Zone" and Kiwanian Teachers at the Council on Thursday to address a round table meeting the performance is open to the public for admission is 25 cents. **DEATH OF TWO NOTED ALUMNI**

Marie Zimmerman, 70, passed away in a Chicago hospital on March 2nd. She graduated from the Normal School of Ypsilanti, Mich., in 1893. Her life was devoted to teaching, except for a period of time when she was a social worker. She taught in the University of Michigan, from which she holds a Master's degree in education. Twenty-four years ago she founded the Normal School of Ypsilanti, Mich., in 1893. Deyo M. Sttleman, a Normal gradua
t of the University of Michigan, 1893, was a noted teacher in St. John's hospital, Fargo, N. Dak., where he had given up his work on account of ill health in the spring of 1921. Before his death, however, he was a scholar and thorough in his work. The second annual college circus was a success from every point of view. The credit for the success of the meet is due in large measure to the Kiwanians and farmers, who had little time off in planning them.
