Wednesday set as final day for Aurora Pictures

Rumors to Contrary False

If you want your picture in the Annual, you must have it taken now.

Rumors are occasionally heard about the campus to the effect that Aurora Pictures is going to be made for the making of Aurora Pictures, proof of which is based on the experience of previous years. Should such rumor come to your attention it should be disregarded, as there can and will be no extension of time. Your sitting must be made before the date set, Wednesday, February 26, after which date the setup will be returned by the following Saturday.

Organizations using composite groups are requested to arrange with one of the local photographers to have these pictures mounted. Individual pictures should be ordered by the respective organization of the photograph and turned over to the photographer employed for this work. This mont should then be left at the Aurora office. According to the photographer's promise, complete contracts, all copy must be furnished within one week after sitting for the University Club.

Miss Betty House and Miss Helen Shaw were formally pledged to Sigma Sigma Monday evening, after which a social hour was enjoyed and refreshments were served.

NM DELTA

The mid-winter semi-formal party of the Mu Delta sorority was given Saturday evening, February 4, at the Country Club. Some splendid music was furnished by Shadie's First Orchestra of Ann Arbor. An attractive feature of the evening was the quartet dance. Lacs and wafers were served during the evening.

DELTA SIGMA EPSILON

The Delta Sigma Epsilon sorority held its annual party Saturday evening, February 18, at the Masonic Temple. Fisher orchestra from Ann Arbor furnished the music. The Grand March will be led by Miss Frances Miller, Miss Earl Blackburn, Miss Helen Dowling and Mr. L. Ross of East Lansing. The program will also include a dance. The money which would ordinarily have been used in decorations will be given to the French Relief fund. Ice and wafers will be served during intermission.

ALPHA SIGMA TAU

The Masonic Temple never appears more attractive than it did Saturday evening when the Alpha Sigma Tau sorority held its twenty-second annual winter party. The decorations were appropriate for Valentine day. From the ceiling floated a mass of red hearts and candies. Back of the stage hung a whole curtain, which together with the windows and doorways and side walls was also decorated with red and white heart shapes. An attractive feature of the evening was the musical center of the stage. The guests were received by Miss Doris Goruch and Miss Ola Hiller, Miss Judy and Mrs. H. A. Lyman, Miss Nestor, Miss Westin and Mrs. Lee Dawson.

Little Miss Mary and Master Jack Newton, dressed in heart costumes, entered the Valentine program. Many alumnae and other guests were present, among them Mr. and Mrs. Casey Allston, Mr. Ann Arbor and other places were present.

ST. CLAIR COUNTY CLUB

The February meeting of the St. Clair County Club was held in the Y. M. C. A. rooms of the college on Tuesday evening, February 22. The members from Algonac served supper at 6 o'clock. The remainder of the evening was spent in dancing. All St. Clair County students are invited to attend the next meeting which will be held on the second Tuesday in March.

The class in Evolution went to Ann Arbor for a day's trip and one of its sessions. They attended a lecture by Prof. Lott on the care of evolution of reptiles and amphibians and visited Prof. Case's interesting exhibit. The third meeting will be of particular interest.

The February Faculty Tea at Starkeweather Hall was a delightful affair as usual. Miss Norton and Mrs. W. P. Bowen were receiving hostesses. Miss Blount and Mrs. Stuart presided at the tea.

HATCH HERD CLASS A MILK

When Dr. McCollum discovered the vitamins in pure milk and their indispensable relation to our health and growth, Herbert Hoover pronounced it "the most important contribution to the world's knowledge of foods during the last 200 years." Dr. Mc Collum says in his "What to Teach the Public Regarding Food Values":

"Everyone should be taught that it is a mistake to buy any product until each member of the family has a pint of milk each day."

Our CLASS A MILK is the ideal, safe, easily digested, vitamin food for students to fortify their organs and maintain their efficiency during these stressful college days. Served at Dick's Lunch Room near the water tower. Ask for Hatch Herd Class A Milk.

HILLIER'S
Hillier's House, the largest independent house organization on the campus, gave its initial party of the year in the form of a semi-formal dance at the Catholic Club rooms.
The decoration scheme was carried out in red hearts and bunting. Six foot lamp lit the dance hall, which looked much to the effect of the decorations. The chaperons were Mr. and Mrs. Eugene Dainoff and here and Mrs. Holmes. Several out-of-town people were among those present.

We notice with interest and pride that the cover of the Moderator—Today this was made a picture of E. T. Cameron (Normal College, '00), who has been elected the first district secretary of the Michigan Teachers Association; an office made necessary by the enormous development of the work. Professor Cameron has held many positions of civic and educational trust and his old friends send warmest congratulations upon this recognition of his ability.

The Normal color guard team has been practicing in Waterman gymnasium at Ann Arbor. The squad will go to Lansing February 28 to participate in the intercollegiate meet to be held there.

The captain and the one on board the "Pretty Polly" were at loggerheads. They scowled whenever they met and seized opportunities of scoring of each other with their fists or goose. Each took a turn in making the day's events in the log book and the next time when making his entries, was very surprised to find in the captain's undershirt the weekly:

"June 2, 1917—Male drunk." He stared at it wraithishly a moment, then a slow grin broke over his face. He took his pen and wrote:

"June 3, 1917—Quizian sober."
