JOHN FINCHIS GRADUATING RECITAL

The audience which heard John Finchis in his graduating recital at the auditorium Wednesday evening is said to be, in the present season, the largest in this tenor. Mr. Finchis possesses a voice of remarkable strength, and his range is at times with pronounal clearance.

Robert Collins, an advanced conservatory student, assisted in Mr. Finchis' singing. The music was selected which was well received in Chicago, and while the program is no new to the audience, two promising young artists of whom we may be justly proud.

Mr. West, one of the justices at the Kentucky Circuit Court, was at the campus lawn near the president's residence and was examining a student, who was to fall into an open ambulance. Although the conjectures at this mishap, he is doing as well as can be expected at Beyer Hospital.

The annual dinner of the Training School faculty was held Wednesday evening at the Country Club. The Club president of honor were Dr. and Mrs. W. W. Frost.

SODALITAS LATINA
The members of the Sodalitas Latina were delightedly entertained at the issue of Dr. D'Ooge's Friday afternoon, May 24. Games of different and of mystery—good old fashioned games—in which student and faculty members alike strive to prove their skill, would have reached their end all too quickly but they did and come by the way of strawberries and ice cream, served by Mrs. D'Ooge. Many and varied were the activities with which the departing guests tried to express the good time they had enjoyed.

TRAINING SCHOOL
The eighth grade of the Training School dramatized at the weekly chapel on Friday morning an original story written by a member of the grade, Audrey Pory. The story, called "A Selected King," deals with the adventures of a young king who runs other lands in disguise. The pupils were their own directors, stage managers and costumers.

The grade has been publishing a newspaper this spring which is proving a splendid incentive in building posts, writers and editors, besides using an interesting vehicle for propaganda relating to conduct in corridors, cleanliness of room and building, etc.

HISTORY CLUB
At the last History Club meeting plans were made for a trip to Tashmore, June 30. Not only History Club members but any one who wishes a most pleasant trip and enjoyable time may join the building committee of Room 49 for the purpose to escort all who are going may sign their name. Let's make it the best ever.
