A GIFT SUGGESTION
See our display of Watches, Laislister's, LocketS, Cameos, Rings, Pendants, Etc.

A PENNY FOR YOUR THOUGHTS: We want you to know how you like the News—what features appeal to you and what ones please you. We are not doing our newspaper business in too much of a hurry. We want you to see what we have done and we want to hear from you, and therefore the circulation.

INTERESTING MEETING
Miss King talked to The Members of our City League group in her office last Thursday afternoon. She read a story in the New York Times about the night of the great Paris fire. The house was in flames, but she was able to save two men. She then read a story about the fire at the Great Eastern Hotel where many lives were lost.

NOTICE TO DANCERS
The gymnasium is now frequently used by the school. The school wants to make sure that the children do not cause any trouble. Any children who do not behave will be sent home. The children should be on time and stay until the end of the class.
