GOOGLE DRIVE REPLACING U: DRIVE - FINAL REMINDER: In March, Google Drive will formally replace EMU-provided U: drives. Google Drive provides unlimited storage space to EMU faculty and staff, and allows files to be shared with others within and outside of the university. Google Drive also allows for easy file access from any computing platform (desktop, tablet, or mobile).

In addition to unlimited file storage space, Google Drive has mobile apps so you can access your files from your smartphone or tablet, too! There is also a tool that will allow you to sync all of the contents of your Google Drive to a desktop folder on your Windows or Mac computer. Full details on how to access your EMU-provided Google Drive account, where to get the mobile apps, and how to set up syncing are available at: <http://www.emich.edu/it/services/googleapps/drive.php>.

The decision to decommission the use of EMU-provided U: drives was made because the storage technology in use is outdated and the available storage capacity no longer meets the needs of faculty and staff. (Please note that the departmental shared drives, known as the W: drive or the Z: drive, will remain available and are not affected by this change).

Anyone with files stored on their U: drive that they wish to keep must move those files to Google Drive (or another storage location) before March 1, 2015. Any files remaining on the U: drive after that date will be permanently deleted. Questions or concerns about this change may be directed to Rocky Jenkins at 487-3145 or rjenkins@emich.edu.

NEW OFFICE OF THE OMBUDS WEBSITE: The Office of the Ombuds is pleased to announce that their new website has launched! The improvement is phenomenal! Website quality, organization of content and ease of use make for a much more fashionable, user-friendly and effective website. Your feedback and suggestions are greatly appreciated. As always, they will continue to evaluate and make improvements to keep our website fresh and relevant. Please take a few moments to check it out at the [Office of the Ombuds homepage](#).

OFFICE OF THE OMBUDS SEEKS STUDENT ADVOCACY COACHES: The Office of the Ombuds has created Student Advocacy Coach (SAC) positions to assist the University Ombuds with providing better services to students in need of help representing themselves during student conduct and community standard

hearings, grade grievances and other situations to ensure fair and equitable practice with regard to EMU policy and procedure.

SAC's help students by amplifying their voice, clarifying their issues, and providing an impartial, listening ear to guide them through university processes. Individuals interested in the SAC position must apply for the service position. **Applicants must be a student, staff or faculty member in good standing with the University.** Those selected must go through a training process that covers pertinent information about the student conduct code, grade grievance procedures, the Family Educational Rights and Privacy Act (FERPA) and other policies that affect students at EMU. If you are interested in serving as an advocate, please fill out the online application at www.emich.edu/ombuds/sac. These applications will be reviewed by the Office of the Ombuds and applicants will be notified through their University email address if they have been selected.

ATTENTION LINUX SERVER ADMINS: A significant vulnerability was recently discovered that affects almost all Linux based servers. The vulnerability is designated CVE-2015-0235 by researchers and commonly referred to as "Ghost" in the media. The Division of Information Technology (DoIT) has patched and restarted all Linux systems operated by DoIT but due to the serious nature of this vulnerability, DoIT advises that all other Linux server(s) hosted on the EMU network must be patched and rebooted. Action must be taken as soon as practically possible to resolve this vulnerability. Servers that remain vulnerable (unpatched) may be disconnected from the campus network until they are updated and restarted. Please direct questions or concerns to Rocky Jenkins at 487-3145 or rjenkins@emich.edu.
