FIVE NEW PROGRAMS APPROVED BY REGENTS

Four new programs in the College of Technology and one in the College of Education were approved by the EMU Board of Regents at its regular monthly meeting Aug. 11.

Included in the College of Technology's new programs are: a computer aided manufacturing program designed to train industrial personnel to manage computerized manufacturing operations; a bachelor's degree program in energy management designed to provide students with training to assume professional positions as energy managers in business and industries; a major in general aviation technology designed to prepare individuals for entry level management positions in the private aviation industry; and a plastics technology major designed to prepare students for middle management positions in plastics processing industries.

Both, the plastics and computer aided manufacturing, technology programs are scheduled for implementation in fall 1982. The other two will be implemented in winter 1983.

The College of Education's new program in therapeutic recreation is an undergraduate major designed to develop qualified personnel to provide recreational therapy for handicapped persons.

Administered by the Department of Health, Physical Education, Recreation and Dance, the program will draw upon existing courses in music, physical education, psychology, recreation, special education and three new courses in therapeutic recreation.

The program is the first of its kind in Michigan and will be implemented in fall 1982.

REGENTS APPROVE USER FEES FOR INTRAMURAL FACILITY

The Board of Regents approved membership fees for the University's new Recreation/Intramural Facility which is nearing completion and scheduled to begin operation Sept. 8, 1982.

The fees will be assessed only to non-student users of the facility since students already pay a total of \$2.40 per credit hour in tuition for debt service at EMU.

Fees set by the EMU Regents have been divided into full membership and limited membership categories.

Full memberships for EMU faculty and staff members are \$26.50 per semester. Significant others of faculty, staff or students also will be allowed to use the facility after paying a \$26.50 fee each semester. EMU alumni will be charged \$40 per semester and non-affiliated members will pay \$240 per year. EMU emeritus faculty will not be charged.

Guests of EMU will be charged a \$3 per day fee for using the facility when accompanied by a member.

(Continued)

Children of students, faculty or staff members; area education, governmental and service organizations; conference and special groups; and off-season and promotional memberships will be offered at rates yet to be determined by EMU administrators.

The new rates are effective immediately.

CROSS REGISTRATION AGREEMENT WITH WCC IS APPROVED

A cross registration agreement with Washtenaw Community College was approved by the EMU Board of Regents at its August meeting.

Under the terms of the new agreement, students enrolled at EMU and in good academic standing upon the completion of 12 semester hours may cross register for one course per semester at WCC. Students enrolled at WCC who have achieved at least a 2.0 grade point average in 12 transferable semester hours may cross register for one course per session at EMU.

In addition, students will be allowed to enroll on a space-available basis at each school for courses not offered at their respective schools during the same semester.

EMU students will pay the appropriate EMU tuition and fees, for inter-institutional courses, to EMU. WCC students will pay WCC tuition and fees to that college for cross-registered courses.
