Account Adjustments & Refunds

Actual dates concerning tuition credits for course adjustments or complete withdrawal are printed in the University Calendars found at the front of this booklet. An appeals process exists for those who feel that individual circumstances warrant exceptions from published policy. The process is as follows:

Step I: Contact the Director of Student Accounting. If request is denied, then you may:

Step II: Contact the Vice President for Business and Finance for a final decision and resolution.

Address Change

Whenever you change your address; local, home or billing; it is necessary that the University be notified by completing a Change of Address form found at the back of this booklet.

Audit

Courses may be audited subject to approval of the head of the department offering the course. Audit applications may be obtained at the Registration Office, Briggs Hall. No credit is awarded for a class audit. Tuition and fees for auditing are the same as for enrollment in courses where credit is elected. Check the University Calendars for deadlines concerning audits.

Cancellation of Registration/Complete Withdrawal

Once you have verified your registration and classes begin, failure to attend class or to complete payment of tuition does not change your enrollment status or absolve you from financial or academic responsibilities. You should withdraw from the University as soon as possible to avoid receiving failing grades. Complete withdrawal from the University is made at the Registration Office, Briggs Hall, by completing the form found at the back of this booklet or by submitting a letter to the Registration Office.
Students wishing to adjust their schedule (add, drop or change classes) may do so at the Registration Office, Briggs Hall. Consult the University Calendars for exact dates concerning adjustment periods, tuition credits/refunds, etc.

Withdrawals
(After 50% Tuition Credit Period)

Undergraduates withdraw from individual classes at the Registration Office, Briggs Hall, through the tenth week of classes. After this time, individual withdrawals are made at the Academic Services Center, 229 Pierce Hall, by petition only. Students must provide evidence of a C- or better grade in the course, or extenuating circumstances. See Calendar for last day of withdrawals.

Graduates withdraw at the Registration Office, Briggs Hall. After the tenth week of classes, graduate students must be receiving a B- or better grade in the course to be granted a withdrawal. See Calendar for last day of withdrawals.

Course Fees — Special Assessments

Some courses carry special fees to cover extra costs and materials. These fees are assessed at the close of the program adjustment period. Such courses are designated by a bullet (•).

Course Load

UNDERGRADUATE

During the Fall and Winter semesters, the recommended maximum full-time load is 16 hours (15 hours with Student Teaching) plus any activity hours elected. No student on academic probation may take more than a full load and no first semester student may take more than a full load without special permission from the Academic Services Center.

During the Spring and Summer sessions, a load of 8 hours, or 6 hours in the six-week session, including Pass/Fail courses, is the maximum. No student on academic probation may take more than a full load of 8 hours (6 hours in the six-week session) and no first semester student may take more than a full load without the special permission of the Academic Services Center.

GRADUATE

During the Fall and Winter semesters, the recommended load for students employed full-time is 6 hours or two courses. Students not employed full-time may elect 12 hours. The course load for Spring and Summer sessions is 8 hours, or 6 hours in the six-week session.
GENERAL INFORMATION (Continued)

Credit/No Credit

A credit/no credit option is utilized by departments in courses for which the standard letter grades do not seem appropriate. Such courses will be designated as **CR/NC** in the class schedule. All students taking such courses will receive either "CR" or "NC" in place of the letter grade. Neither "CR" nor "NC" will have any effect on the student's grade point average. Courses for which "CR" is received will count towards graduation requirements, and there is no limit to the number of such courses which may be taken by the individual student. The "CR/NC" courses elected by students does not count on the number of Pass/Fail courses that can be elected.

Graduation - Certification Application

Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. A non-refundable application fee is charged: Undergraduate Degree - $20.00; Masters and Specialist Degree - $25.00. Undergraduate Degree applications are obtained from the Office of Academic Records and Teacher Certification.

Holds Placed on Registration

Eastern Michigan University Makes use of a "hold card" procedure whereby a card is substituted for a student's registration cards to insure that the student is not allowed to complete registration until specific conditions which caused the use of the card are met.

Hold cards are used for the following general purposes:

Financial Hold Cards - A properly authorized agency of the University may place a hold card against a student who has not met a legitimate financial obligation to the University when due.

Judicial Hold Cards - A properly authorized administrative officer may place a hold against a student who has been suspended through due process procedures.

Conditions-of-Enrollment Cards - A properly authorized agency of the University may place a hold against a student who has demonstrated not to have fulfilled a duly established condition of enrollment.
The University Honors Program offers a full menu of honors courses in Basic Studies, as well as opportunities for earning honors credit in the major or professional program. Students admitted into the program enjoy many academic, cultural, and social opportunities and may graduate "With Honors in Basic Studies" and/or "With Honors in (Major/Program).

Only those students who have applied and been admitted to the Honors Program are permitted to enroll in honors courses. Class cards for honors courses must be picked up at the UHP Office (250 Jones) before the student comes to Registration.

Honors students who present a valid UHP identification card will be permitted to register for classes during the first two days of registration. Honors students who fail to register at this time must adhere to the normal (alphabetical) registration schedule.

For additional information, contact the Honors Director (487-0341), 250 Jones, Community of Scholars.

Independent Study and Other "Arranged" Courses

Students registering for courses needing department permission or special assignments, such as Student Teaching, Applied Music, Independent Study and Honors Courses must get the class card or written permission at the appropriate office before registering and submit it with the course requests. Without this authorization, such course requests cannot be accommodated. Students may register late without adjustment fee for Independent Study courses when approved by the department head.

Instructor Assignments

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule.

Off-Campus Classes

Eligible students (see Registration Procedures) may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed either by mail or in-person.

Pass/Fail Option

A Pass/Fail option is available to any regularly enrolled junior or senior in good standing (not on probation). The number of courses elected per semester
GENERAL INFORMATION (Continued)

Pass/Fail (Continued)

is at the discretion of the student; however, only a maximum of six courses will apply toward graduation. Courses are restricted to free elective courses (those not on a major, minor, curriculum or the basic studies requirements for the particular student). No graduate courses may be elected for Pass/Fail credit.

The grade of pass, designated as "S" on the grade report counts as credit toward graduation and is issued to students earning grades of A, B, C or D. A "U" shall be issued to students earning a grade of "E". Neither a pass nor a fail shall be used in any way toward the calculation of the grade point average, but the pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a Pass/Fail form and submit it to the Academic Services Center, 229 Pierce, and allow at least one working day for processing the application. If approval is granted, the student takes the approval form to the Registration Office, Briggs Hall. No requests will be approved on the spot. The option may be cancelled up to the last day of classes before the official University scheduled final examinations. It may be applied to a course for which a student is currently registered up to the end of the University's "Drop" period. Consult the University Calendar for actual dates.

Repeat of Courses

To record a course as a repeat, you should notify the checkout clerk at the time of registration. A student may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the head of the department in which the course is offered.

2. No student may repeat more than ten different courses in the process of completing a baccalaureate degree, except by permission of the Academic Standards Committee.

3. All grades earned by a student will be retained on the permanent record.

4. Only the grade received the last time the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average, regardless of where the course was taken originally or where it was repeated.

To assure that the grades for repeated courses have been re-calculated for the correct grade point average and academic status, students may check with the Academic Records Office, Room 5, Pierce Hall.

#### New Students

Music Audition and Theory Placement Required.

Enrollment in curriculum in music and placement in Applied Music Lessons and Basic Music courses are determined by the results of instrumental or vocal auditions and placement examinations in musicianship. New students new to the University may enroll through March 22, 1976, or on June 11, 1976. Audition applications must be postmarked not later than 10 days prior to the scheduled audition date.

To arrange these tests, all new students would write to the Office of Admissions. A record of these tests would be kept for the student to check when going to the Office of Admissions. Eastern Michigan University.

#### All Applied Music Students

To register for Applied Music, all students must obtain written authorization from the Office of Admissions. New students may register for classes in the first week of classes. Students who are not properly registered will be removed from the Applied Music List.

**Notes:** Students enrolling in applied music instruction must follow the procedures outlined above. Students will not be allowed to register for applied music at the Registration Office in Briggs Hall without authorization from the Music Department. **Students who withdraw after the 10th Tuition Credit Date forfeit all the applied music fees.**

Application For Graduation

Candidates for graduate degrees must submit an Application for Graduation at the time of registration for the semester/session in which they plan to complete degree requirements. The completed Application for Graduation, together with the graduation fee, should be turned in at the Cashier's Office in Briggs Hall. The Cashier's Office in turn will validate payment of the fee and forward the application to the Graduate School Office.

Graduation Requirements

Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

-- Grade Averages: No student will be recommended and approved for the master's or specialist's degree unless the student has achieved a grade average of B or B+ in the respective degree programs. This grade average requirement applies to 1) all graduate credit earned at Eastern Michigan University; and 2) all graduate credit included in the area of specialization.

-- Residency: For a master's degree, at least six hours of graduate credit used on a degree program must be earned on campus in Ypsilanti. For the specialist's degree, at least 16 hours must be earned on campus.

-- Time Limitation: All requirements for an advanced degree must be completed within six calendar years from the time of the first enrollment in the degree program.

Graduate Record Updates

All coursework accrued previous to the graduation semester/session must be completed, documented/validated as requisite, and made a matter of record no later than one week prior to the expected degree award date.

-- "I" (Incomplete) Grades: Required course components must be completed and "I" grade converted to letter grade. (A completed thesis must be documented by filing two unbound copies in the Graduate Office no later than the last day of classes.)

-- Transfer Credit: Filing of official transcript(s) in Graduate Office is required for documentation of transfer credit. Students currently enrolled in transfer credit courses should not expect to receive their degree until the semester following that in which course work is completed because of time factor involved in transacting official transcript and completion of graduation check-out. Letters from professors or grade reports are not acceptable substitutions for transcripts.

-- Out-of-Date Credit: Validation by examination as approved by department and Graduate School must be satisfactorily completed no later than one week prior to graduation.

Inability to meet the deadline for these graduate record updates will defer the applicant's graduation.

Teacher Certification:

Applicants for a graduate degree in the College of Education must hold or have satisfied the requirements for a Teaching Certificate (unless waived in writing by the coordinator of advising) before they are eligible for a graduate degree. Applications for Teaching Certificate should be made in the Office of Academic Records and Certification, Room 5, Pierce Hall, 487-4111.

Degree Recommendation/Verification

The records of each graduate degree applicant are checked out in the Graduate Office to determine eligibility for graduation and then are forwarded to the appropriate academic department for review and recommendation. Upon recommendation by the department, the student is notified by letter of his/her clearance for graduation. Degree verification letters will be sent automatically to all students who have successfully completed all degree requirements. This verification letter will be sent approximately three to four weeks after the close of the semester. Diplomas and a complimentary transcript will be mailed about ten weeks later.

The Graduate Office cannot accommodate special requests for advanced verification. The degree recommendation/clearance letter documents the University's degree verification process and can be used to inform any employer of the date when degree certification can be expected.

SUMMER 1985
The College of Health and Human Services
offers the
Second Annual
"Quality of Life"
Symposium
on
INDIVIDUAL AND FAMILY WELLNESS

Three weekend (Thurs., Fri., Sat.) Workshops on
Wellness through the Life Cycle . . . . July 11-13
Stress and Wellness . . . . . . . . . . . . . . July 18-20
Family Wellness . . . . . . . . . . . . . . . . July 25-27

Earn graduate or undergraduate credit of 1-3 hours.
(See course schedule for class details)

Wellness is the right and privilege of everyone. There is no prerequisite for it other than your free choice. The "Well" being is not necessarily the strong, the brave, the successful, the young, the whole, or even the illness-free being. A person can be living a process of wellness and yet be physically handicapped, aged, scared in the face of change, in pain, imperfect. No matter what your current state of health is — you can begin to appreciate yourself as a growing, changing person and allow yourself to move toward a happier life and positive health. Wellness is never a static state. You don't just get well or stay well. There are many degrees or levels of wellness just as there are degrees of illness.

You are invited to study WELLNESS this summer!!!
"Financial Planning and the Quality of Life" is the focus of the annual interdisciplinary summer course for secondary and adult education teachers to be held at Eastern Michigan University, 101 Mark Jefferson, June 24-28, 1985.

CREDIT, NON-CREDIT. Coordinated by the Michigan Consumer Education Center in cooperation with the Division of Continuing Education, the three EMU departments offering two graduate credits are Teacher Education, Human, Environmental & Consumer Resources, and Business Education.
