GENERAL INFORMATION FOR GRADUATION APPLICATION
GRADUATE DEGREES & CERTIFICATES

Application for Graduation
Candidates for graduate degrees and certificates must submit an application for Graduation by the deadline date for the semester in which they plan to complete program requirements (see calendar below). The completed Application, together with the graduation fee, should be turned in at the Cashier's Office in 201 Pierce Hall. The Cashier’s Office will validate the form with the date received and fee paid and forward the application to the Office of Records and Registration.

Graduation Process
The records of each applicant are reviewed to determine graduation eligibility. Each student is sent a Graduation Check-out sheet. A copy is also forwarded to the coordinator of advising for that student’s academic department for review and recommendation. Upon receipt of the department’s recommendation, the student is notified by letter of his/her clearance for graduation. Degree Verification letters are sent to all students who have completed program requirements. Students enrolled in the semester in which they have applied for graduation are sent Degree Verification letters approximately three weeks after grades are received at the end of the semester. Diplomas and a complimentary transcript are mailed eight to ten weeks after the semester ends.

The Office of Records and Registration cannot accommodate requests for advanced verification. The degree recommendation/clearance letter documents the University’s degree verification process and can be used to inform any employer of the date when degree certification can be expected.

Graduation Requirements
Policies and procedures related to graduation are detailed in the Graduate Catalog. Especially note the following requirements:

• Grade Point Averages: No student will be recommended or approved for a degree/certificate unless the student has achieved a grade point average of 3.0 (master’s), 3.3 (specialist’s), or 3.5 (doctorate). This grade point average applies to all graduate credit taken at EMU and all graduate credit in the area of concentration/specialization.

• Residency: Master’s degree candidates must complete at least 6 hours of graduate credit used on the degree on campus in Ypsilanti. Specialist’s candidates must take at least 16 hours on campus; doctoral candidates must take at least 12-16 hours on campus.

• Time Limitation: All requirements for master’s and specialist’s degrees must be completed within six calendar years from the time of the first course used on the program; candidates for the doctorate must complete all requirements within seven calendar years.

Graduate Record Updates
All course work accrued prior to the graduation semester must be completed, documented/validated as required, and made a matter of record by the degree award date of the expected graduation period.

• “I” (Incomplete) Thesis/Dissertation: Required course components must be completed and “I” grades converted to letter grades. Thesis/dissertation copies must be in the Graduate Dean’s office by the deadline date of the expected degree period.

• Transfer Credit: Filing of official transcript(s) in the Office of Records and Registration is required to post transfer credit. Students taking their last courses at another university to fulfill program requirements at EMU should apply for the graduation period following the semester in which the course is completed because of factors involved in receiving transcripts and finalizing the graduation check-out process. Letters from professors or grade reports are not acceptable substitutes for transcripts.

• Out-of-Date Credit: Courses which are between 6 and 10 years old must be validated for use on a program of study. Any course which is over 10 years old may not be validated nor used on a degree program. For information on this process, please contact Graduate Records at 734/487-0093. Validation must be completed and recorded by Graduate Records by the deadline date of the expected graduation period.

• Certification: Candidates graduating from the College of Education must hold or be eligible for a teaching certificate and a copy must be on file with Graduate Records. If appropriate, the academic department may submit a signed waiver. Certification candidates should contact the College of Education, Office of Academic Services, at 101 Boone, 734/487-0275.

BEFORE REGISTERING FOR ONLINE COURSES, PLEASE TAKE NOTE OF THE FOLLOWING:

1. Do you have access to a computer and the Internet on a regular basis?

2. If you are planning to use student labs be sure to check the availability for the lab as it fits with your schedule and remember, the labs get extremely busy at midterm and finals times.

3. Expect to give a minimum of 10-15 hours per week to the course.

4. Be self-motivated and self-disciplined. Keeping up with the assignments is critical to success.

5. Know how to use e-mail, Netscape and a word processing program. Some courses have additional software requirements and computer skills (such as knowing FTP – file transfer protocol).

6. Be comfortable discussing your ideas in writing in a public forum and have adequate keyboard skills.

### Fine Arts

**Overrides:** Student must complete an Art Department override form. Faculty will determine, from reviewing the forms, those students who will receive an override. If unable to obtain an override prior to class, a student should attend the first day of class. If given permission, the student gets a note signed by the instructor and brings it to 114 Ford Hall to receive the override.

Attendance policies will be enforced from the first day of classes.

### Chemistry

Students registered for a laboratory course must attend the first scheduled meeting of that lab section to be assured of a continued place in the class.

OVERRIDES are not normally given for Chemistry courses. The capacity of lecture sections is set by the department, and is based on physical considerations. The capacity of the laboratory section is limited by safety, educational considerations, and the capacity of the associated lecture sections.

WAIT LISTS will only be kept for classes which are closed and have enrollment restrictions. Contact the Chemistry Office at 487-0106. or 225 Mark Jefferson. A student hoping to gain entry into a closed section should attend the first meeting of that section. The instructor will decide who, if anyone, will gain entry, based on space, any wait list, and on the extenuating circumstances of the student.

Honors, research, and co-op courses require Chemistry Department permission before the student may enroll. In addition, enrollment in research courses requires permission from the research supervisor or graduate coordinator. Co-op registration requires permission of the co-op advisor.

### Communication and Theatre Arts

**OVERRIDE:** Handled strictly by the instructor teaching the course. See the instructor in person during posted office hours or at the class. Overrides are not generally possible for Fundamentals of Speech 121 or 124. The capacities of these sections must be controlled to maintain required ratios of students to class speech time.

History and Philosophy

NO OVERIDES. Only seniors who can provide the department head with written proof that enrollment in a given class will enable them to graduate at the end of that semester will be considered. No senior overrides will be authorized after the beginning of the second week of classes (i.e., after 5 days of a daytime class or the second meeting of an evening class).

Students are entitled to attend only those classes in which they are formally registered. Unauthorized attendance at classes, for whatever length of time, will not lead to the granting of overrides.

DEVELOPMENTAL MATH COURSES: MATH 097 AND 098
MATH 097 and 098 are developmental math courses that are designed to develop skills necessary for successful completion of college-level mathematics courses. As such, these classes are considered to be below the college level. The use of these classes is different from how college-level (100 or above) courses apply to your academic record.

1. MATH 097 and/or 098 will not be counted in hours attempted, completed, and passed and in the GPA calculation.
2. MATH 097 and/or 098 will not count toward the minimum of 124 semester credit hours required for graduation. Students must subtract the number of hours earned in MATH 097 and 098 from the passed hours to determine how many hours apply toward graduation.
3. These hours will be used in the calculation of academic class level (freshman, sophomore, junior, etc).
4. MATH 097 and/or 098 does not count toward a degree at Eastern Michigan University.

PREREQUISITES FOR MATHEMATICS CLASSES
Prerequisites or placement will be checked for classes MATH 104, 105, 107, 108, 109, 110, 111, 118, 119, 120, 121, 122, 170, and 223.

If you have credit (or transfer credit) for the listed prerequisite, or placement if applicable (see below). You may be asked to bring class evidence that you have satisfied the listed prerequisites for the class or that you have appropriate placement. If you have credit or transfer credit from another class which you think might serve as a prerequisite, contact the Mathematics Department.

PLACEMENT INTO MATHEMATICS CLASSES
For placement into MATH 108, you must take the Computerized Placement Test. If you do not have a Math Placement Authorization Form and your major is undeclared, go to the Academic Advising Office, 301 Pierce Hall. Otherwise, go to the Mathematics Department, 515 Pray-Harrold.

You may obtain placement for any of the mathematics classes MATH 097, 097A, 098, 098A, 099, 104, 105, 107, 110, 170, 118, 119, 120 and 176 by going to Academic Advising, 301 Pierce Hall if you have no declared major. Otherwise, go to the Mathematics Department, 515 Pray-Harrold. For these classes, the three avenues for placement are:

1. Base-line placement: If you have an ACT math score which is less than four years old, you will be given a Placement Form showing a level of placement based on that score.
2. Computerized Placement Test: If you do not receive a base-line placement, or wish to elect a class at a higher level than your base-line placement allows, you will be given permission to take the Computerized Placement Test. The test must be taken no later than the last scheduled day of classes the semester prior to the semester in which you wish to enroll.
3. Appeal: If you wish to take a particular class and have had three attempts at the Computerized Placement Test (spaced at least 30 days between tests) without reaching the required level, you may appeal to a member of the Department of Mathematics. You must bring the validated Computerized Placement Test forms with you.

PREREQUISITES WILL BE STRICTLY ENFORCED. INELIGIBLE STUDENTS WILL BE DROPPED.

OVERIDES: Must be authorized by the instructor and by the department head, 515 Pray-Harrold.

SUMMER 2001 FINAL EXAM SCHEDULE

Whether or not a final examination shall be required will be determined by the instructor in line with departmental policy. The schedule below shall be followed. If a final examination is not given, the scheduled exam period shall be used for other class activity. Instructors are not permitted to change the schedule of examinations. Students are to take their exam with their regular class during the last class session. Any deviation must be approved by the instructor and the department head in which the course is offered. Approval will be given only in cases of extreme emergency. Consult the University Catalog for other regulations governing examinations.

NEW AT EMU

EASTERN MICHIGAN UNIVERSITY DEGREE NAVIGATOR
EMU Degree Navigator is a Web-based degree audit program that enables students, faculty, and staff to track a student's academic progress toward graduation. It is user-friendly, interactive, and accessible through the World Wide Web. It requires security in the form of passwords in order to access student records. EMU Degree Navigator uses colorful geographical concepts to show where a student is on the path toward graduation. Colleges, departments, and majors/minors are represented by islands. The course requirements are shown as towers, basements, and hills on those islands. Color-coding is used to show which courses have already been completed, those in progress, and those still needed. The program also indicates prerequisites and any other rules that are applicable (e.g., grade better than 'D-'; must be 300-400 level; departmental approval required; etc.).

Users can generate course lists and progress reports. Degree Navigator enables the user to get a printed audit at any point in a student's academic career. It also allows a student to choose a "What if I..." scenario. Course substitutions and waivers can be viewed online. The ability of EMU Degree Navigator to generate frequent and immediate progress reports will allow students to stay on top of their requirements and graduate with the fewest possible classes, if desired.

Getting Started...
Access to EMU Degree Navigator can be gained by going to the EMU home page (www.emich.edu). Click on "Degree Navigator". When Degree Navigator is loaded, you will see an instruction page with useful information. After reading the instructions, select the "START" button appropriate for current students. You will see a graphic picture of the two academic levels at EMU. Click on "MY DEGREE" from the listing across the top of the page. You will be prompted for your nine-digit student number and PIN.

COURSE PREREQUISITE VERIFICATION
Eastern Michigan University's registration system will begin enforcing prerequisite requirements for the Winter 2002 semester. Students will not be eligible to register for a course if they have not fulfilled the prerequisite requirement. Although the registration system will not enforce prerequisites for the Spring, Summer, and Fall 2001 semesters, it will provide a warning message of prerequisite requirements that have not been met. It is the responsibility of the student to make sure prerequisite requirements have been met. Academic departments may require students to drop courses for which they do not meet the prerequisites.

GENERAL EDUCATION REQUIREMENTS
Beginning Winter 2001, students must graduate under the General Education (formerly Basic Study) requirements that went into effect Fall 1990. Please see your academic adviser with questions.

NEW ON THE RECORDS AND REGISTRATION WEB SITE
Students can now access the course schedule books and transfer equivalencies on the Records and Registration web site. To navigate to these web sites, go to EMU’s home page (www.emich.edu), click on "Records and Registration", and then click on the desired application.

WITHDRAWALS FOR FIRST-SEMESTER FRESHMEN
All first-semester freshmen are required to meet with an adviser from Academic Advising before being allowed to withdraw from one or more classes.

DIRECTORY EXCLUSION
Students can now request Directory Exclusion through the Touch-Tone Registration System (734.487.3309). Requesting directory exclusion will remove the student's name, address and phone number from the current and subsequent telephone directories. Information regarding the Directory Exclusion is available to students on the Records and Registration web site as well.
GUIDE TO REGISTRATION POLICIES & PROCEDURES

Spending a few minutes to become familiar with this guide will help you take care of your educational program, receive services, and prevent costly problems.

OFFICE OF RECORDS AND REGISTRATION SERVICES

The Office of Records and Registration Service Counter is located in 303 Pierce Hall. Here you will receive assistance with questions or problems regarding your undergraduate or graduate academic record as well as any registration issues. Service hours are:

- Fall and Winter: M, Th, F 8 a.m. - 5 p.m.
- Tu, W 8 a.m. - 7 p.m.
- Spring and Summer: M-F 8 a.m. - 5 p.m.

The Service Counter is also open from 10 a.m. until 1 p.m. on the Saturday before classes start and the first Saturday of the term. Courtesy campus telephones are available during business hours for Touch-Tone Registration transactions. In addition, inquiry terminals, which display open sections of current and future semester courses, are accessible for use.

The following services are available in the Office of Records and Registration:

- Course confirmations, class schedule books, PIN number (information and changes), address changes, total withdrawal requests, individual course withdrawal for students with holds, enrollment verification/deferment forms, late registration for students with written authorization, declaration of class audit, removal of pass/fail option, evaluation of transfer credit and tabulation of credit reports, processing of course substitutions and waivers, undergraduate graduation audit, undergraduate re-enrollment applications, 400/500 course level processing, application for graduation (payment through the Cashier’s Office), and Eastern Michigan University Transcripts (ordered through the Cashier’s Office).

Please do not send another person to handle your records and registration business!

By federal law, we can only accept transaction requests from the student, with photo identification and a signature.

UNIVERSITY REGISTRATION POLICY

By registering for classes at Eastern Michigan University, you accept responsibility for reading and conforming to all policies, procedures, required dates, fees, and other requirements published in the University catalogs and in the class schedule book.

ACADEMIC SERVICE-LEARNING

Academic Service-Learning is a teaching method that utilizes meaningful community service as a means of understanding course objectives. Structured reflection helps the student to integrate service projects with course content. The Office of Academic Service-Learning, in 202 Rackham, supports faculty, administrators, and students in implementing these activities, with a Resource Center, workshops and seminars, community links, grants and fellowships, and research opportunities.

ADDRESS CHANGE

File your ADDRESS CHANGE with the post office and the University. Each time you change your address, you must notify the University by completing a Student Address Change and Update notice—you can use the one in this book—and sending it to the Office of Records and Registration, 303 Pierce. Failure to provide the University with complete, accurate and timely address information will leave you liable for financial penalties on overdue bills, and you may not receive bills with course confirmations, important notices and grades. To make sure you receive mail sent before your address change was received, also submit a forwarding order to the post office.

AUDITING CLASSES

Courses may be audited subject to the approval of the head of the department offering the course. Audit applications may be obtained at, and returned to, the Office of Records and Registration, 303 Pierce Hall. No credit is awarded for class audit but you must register for the class. Tuition and fees for auditing are the same as for courses where credit is elected. Check the University Calendar for deadlines concerning audits.

COURSE LOAD

Undergraduate:

During fall and winter semesters, the recommended academic course load is 15 to 18 credit hours. During the spring and summer semesters, the recommended load is 6 to 9 credit hours in the 7 1/2-week session and 5 to 6 credit hours in the 6-week session.

First semester freshmen and students on Academic Probation may not take more than the recommended academic load without special permission from the Academic Advising Office, 301 Pierce.

Qualified continuing students considering taking over 18 credit hours should consult carefully with an academic adviser before taking an overload. The Touch-Tone system will prevent registration for more than 24 credit hours (12 in spring or summer). Request assistance at the Records and Registration service counter to add classes in excess of 24 credits.
Fall and winter undergraduate students must register for a minimum of 12 credit hours to qualify as “full-time” for University purposes, including Financial Aid. For the spring and summer semesters, the minimum full-time load is 6 credit hours for Financial Aid or other purposes.

Graduate:
During the fall and winter semesters, the minimum full-time graduate load is 8 credit hours. Half-time is 4 credit hours. The minimum full-time graduate course load for spring and summer semesters is 4 credit hours, and half-time is 2 credits. The Touch-Tone system will prevent registration for more than 15 credit hours (12 for spring or summer).

COURSES BELOW THE 100 LEVEL
Developmental courses, those with course numbers below 100, will appear in total hours attempted, completed and passed. The grades will also be used in calculating the term and cumulative grade point average. However, they will not count toward the minimum 124 hours required for graduation.

CREDIT/NO CREDIT
A credit/no credit option is utilized by departments in courses where the standard letter grades do not seem appropriate. Such courses will be designated as “CR/NC” in the class schedule book. All students taking such courses will receive either “CR” or “NC” in place of the letter grade. Neither “CR” nor “NC” will have any effect on the student’s grade point average. Courses for which the “CR” is received will count towards graduation requirements, and there is no limit to the number of such courses that may be taken by the individual student. The “CR/NC” courses taken by students do not count in the number of Pass-Fail courses that can be elected.

GRADUATE COURSES FOR SENIORS
Seniors (those who have 85 or more completed credit hours as of the current semester and have an EMU GPA of at least 2.5) requesting graduate courses must obtain signed approval from the Office of Records and Registration, 303 Pierce Hall, AFTER obtaining the instructor’s approval. An approved, signed copy of the approval form must be on file prior to the second week of classes.

ONLY courses numbered 500 through 599 may be elected. No graduate course may be elected, under any condition, if the total number of credit hours registered for is more than 16. If any course is taken for graduate credit, student load restrictions in the Graduate Course Load section apply (see above).

GRADUATE STUDENTS ELECTING APPROVED 400-LEVEL COURSES FOR GRADUATE CREDIT
Graduate students registering in approved 400-level courses for graduate credit must obtain approval from the Office of Records and Registration, 303 Pierce Hall AFTER obtaining the instructor and graduate adviser’s signature. Approved forms must be on file with the office prior to the second week of classes. Only nine credit hours of approved 400-level courses can be applied to a graduate degree program.

GRADUATION INFORMATION
Students who anticipate completing graduation requirements must file a graduation application at the beginning of the semester in which they plan to graduate. Commencement ceremonies are held in April and December only. June and August graduates may participate at the ceremony immediately preceding or following their graduation date.

A one-time, non-refundable, application fee is charged: Undergraduate and Second Bachelor Degree Fee: $30; Master, Specialist and Doctoral Degree Fee: $35. Applications can be found in this Class Schedule Book or may be obtained from the Office of Records and Registration, 303 Pierce Hall. If the application has not been filed by the deadline in the semester calendar, graduation cannot be guaranteed for the semester requested. All financial obligations to EMU must be paid before a diploma is released. Graduate students see the “General Information for Graduation Application” page in this book.

HONORS PROGRAM
In addition to any honors courses being offered, upper-division students who are members of the University Honors Program (UHP) may make individual arrangements for honors credit in their regular classes after consultation with their honors adviser.

Only those students who have applied and been admitted to the UHP are permitted to register in honors courses. Permission for honors courses must be obtained at the UHP Office, 250 Jones before registration. Honors students will be permitted to register for classes on specially designated days arranged with the UHP Office.

For additional information, contact the Director, 734.487.0341, 250 Jones Hall, Community of Scholars.

INCOMPLETES
An “I” (incomplete) grade is never applied to poor work or non-attendance by the student. The student must inform the instructor of the reason for the requested incomplete, and the instructor may, at his or her discretion, agree to the request and submit the “I” grade. A maximum of one (1) year is allowed for completion of the course work.
INDEPENDENT STUDY, INTERNSHIP, CO-OP AND OTHER ARRANGED COURSES

Students registering for courses needing department permission and special placement, such as Student Teaching, Applied Music, Independent Study, Internship and Cooperative Education courses, must get authorization at the appropriate office before registering. Students may register and adjust their schedules late, without fees; for these courses, when approved in writing by the department, and done in person at the Office of Records and Registration. Financial aid for Independent Study and Distance Education courses does not pay until the course is completed and the grade has been recorded.

INSTRUCTOR ASSIGNMENTS

The University reserves the right to make necessary changes in instructor assignments as listed in this class schedule book.

LATE REGISTRATION

1. Students must be registered in order to attend classes.
2. After the first day of classes, you have a short grace period in which to register by Touch Tone. If your original registration is on or after the first day of classes, you will be assessed a single, one-time $50 late registration fee.
3. After the grace period, registration is permitted on an exception basis only. Signatures from the instructor and department head are required on a waiver form, provided by the department, for each course. Registration with written permission will be accepted through 50% of the semester/subterm (see semester calendars in this guide section for specific deadline dates). After this date, students cannot receive credit for any course(s) for which they are not registered.

NOTIFICATION OF STUDENT RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. They are:

1) The right to inspect and review the student’s education records within 45 days of the day EMU receives a request for access.

Students should submit to Eastern Michigan University’s (EMU) Office of Records and Registration written requests that identify the record(s) they wish to inspect. A university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2) The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate education interests. A school official is a person employed by EMU in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom EMU has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

Upon request, the university discloses education records without consent to officials of another school in which a student seeks or intends to enroll. The University may, without the student’s permission, release certain information to parents or guardians of students under the age of 21 found responsible for violating any law, rule or university policy pertaining to drugs or alcohol.

EMU has designated the following items as directory information and these items may be included in publications or disclosed upon request without consent: the student’s name; address; telephone listing; electronic-mail address; date and place of birth; major field of study; participation in recognized activities and sports; weight and height of members of athletic teams; dates of attendance; degrees and awards received (including, but not limited to, the Dean’s List); and the most recent previous educational agency or institution attended by the student. EMU reserves the right to make directory information public unless a student’s written objection (specifying the category of information not to be made public without prior consent) is filed at the Office of Records and Registration within 14 days after each term begins.

Students who do not want to be included in the annual EMU Student Directory should either complete a Directory Exclusion Card or request Directory Exclusion through the Touch Tone Registration System (734.487.3309) by September 15. Cards can be picked up from University Publications, McKenny Information Center, Campus Life, Office of Records and Registration, Academic Advising Center, Office of Admissions or a residence hall information desk. They must
be turned in by September 15 to Public Information, 18 Welch Hall. Requesting Directory Exclusion will remove your name, address and phone number from the current and subsequent telephone directories.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by EMU to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Ave. SW
Washington DC 20202-4605

OFF-CAMPUS CLASSES AND STUDY ABROAD

Students may register for off-campus (Continuing Education) classes at the same time on-campus registration is completed, using Touch-Tone Registration.

All students in good academic standing are eligible to participate in a study abroad program and earn a full semester of credit. Programs are offered in countries throughout the world. To register for undergraduate and graduate courses offered through study-abroad programs, contact the Office of Academic Programs Abroad, 103 Boone Hall, 734.487.2424.

PASS-FAIL OPTION

A pass-fail option is available to any regularly enrolled junior or senior in good standing. A maximum of six pass-fail courses may be applied toward graduation and are restricted to free elective courses only. General education classes, and those required for a major or minor, may not be taken under the pass-fail option. No graduate courses may be elected for pass-fail credit. No graduate student may take an undergraduate course for pass-fail credit.

The grade of pass, designated as “S” on the grade report, counts as credit toward graduation and shall be issued to students earning a grade of “D-” or better. A “U” shall be issued to students earning a grade of “E”. Neither a pass nor a fail shall be used in any way toward the calculation of the grade point average, but the pass credit hours count toward the total necessary for graduation.

A student who qualifies and wishes to elect this option should fill out a pass-fail form and submit it to the Academic Advising Center, 301 Pierce Hall, and allow at least one working day for processing the application. No requests will be approved on the spot. The option may be canceled up to the last day of classes before the official University scheduled final exam. It may be applied to a course for which a student is currently registered up to the end of the first week of the semester. Consult the University Calendar for actual dates.

REPEAT OF COURSE

The Touch-Tone system will declare a repeat and notify you at the time you register again for a course you have previously taken for credit. You may also declare a repeat at the Office of Records and Registration in 303 Pierce Hall.

Undergraduate students may elect to repeat any course, regardless of the grade received, with the following provisions:

1. No course may be taken more than three times, except by permission of the head of the department in which the course is offered.
2. No student may repeat more than ten different courses in the process of completing a bachelor’s degree, except by permission of the Academic Standards Committee. Contact Academic Advising.
3. All grades earned by a student will be retained on the permanent record.
4. Only the grade received the last time the course is taken will be used in compiling graduation credits and in determining the cumulative grade point average.
5. Courses in which an “E” grade is received at EMU may not be repeated at another school. To assure that the grades for repeated courses have been recalculated to the correct grade point average and academic status, students may check with the Office of Records and Registration, 303 Pierce Hall.

Graduate students: Courses may be repeated only once, and only if the grade obtained in the first enrollment is less than a “B.” The first grade remains on the student’s record, but is not included in the computation of the student’s grade point average.

SENIORS ADMITTED TO THE GRADUATE SCHOOL

EMU seniors admitted to the Graduate School as conditional seniors must register once as an undergraduate student for those courses that apply to their undergraduate degree, and separately as a graduate student for the courses that apply to their graduate degree. Failure to do so will result in incorrect credit applied to the undergraduate degree. When registering by Touch-Tone, the student must make two separate phone calls, one for the undergraduate level and one for the graduate level.

SPECIAL-NEEDS STUDENTS

Special priority enrollment is available for special-needs students. Services are also provided for serious injury or other crises. Contact the Dean of Students Office in 221 King Hall for information at 734.487.3118.
**STUDENT ID CARDS: The Eagle Card**

The Eagle Card is required for the use of the library, Rec/IM facility, computer labs, all meal plans and for entrance to the residence halls after 10 p.m. You may also open an Eagle Express Debit Account, which will require your Eagle Card. To obtain an Eagle Card, bring your current course confirmation and a picture ID to the Eagle Card Office located in 21 McKenny Union. You must be registered for the current term to obtain an ID and for the ID to work properly.

The first ID card issued is free of charge. There will be a $15 replacement charge for lost IDs. You must bring your course confirmation and a picture ID to obtain a replacement card. Damaged IDs are replaced free of charge if you bring in the old ID. The replacement charge can be paid by check, cash, VISA/MasterCard or charged to your student account.

**Eagle Card Office Hours:**
- Monday & Thursday, 9 a.m. - 5 p.m.
- Tuesday & Wednesday, 9 a.m. - 6:30 p.m.
- Friday 9 a.m. - 4 p.m.

*Policies and hours subject to change without notice*

**Eagle Express Debit Account**

The Eagle Express Debit Account is pre-paid account accessed through your Eagle ID Card. This account allows you to purchase items, through participating merchants, by using your Eagle Card as a debit card for the account. The account also offers a 5% discount at select merchants. The Eagle Express Debit Account can be opened at the Eagle Card Office (McKenny) or the Eagle Express Office (Housing Lower Level of DC1). A minimum of $25 is required to open the account.

**TRANSCRIPTS**

To order an official Eastern Michigan University transcript, complete a transcript request form at the Cashier's Office, 201 Pierce Hall. The cost is $5 per copy. In-person orders may be placed and paid for at the Cashier’s Office. To order by mail, send the request form and check to: Transcripts, Cashier’s Office, 201 Pierce Hall, Eastern Michigan University, Ypsilanti, MI 48197.

**WITHDRAWAL - INDIVIDUAL**

After the 100% drop deadline, there is a period for withdrawal from classes. Withdrawal results in a “W” on your academic record. Individual course withdrawal will produce no tuition credit or refund.

*Undergraduates* may withdraw from individual classes by Touch-Tone, or at the Records and Registration Service Counter, 303 Pierce Hall, through two-thirds of the semester/subterm. See calendars in this guide for specific deadlines. After this time, individual late withdrawals are made by petition only, at the Academic Advising Center, 301 Pierce Hall, 734.487.2171; students must provide evidence of extenuating circumstances.

Evening service is also available at Academic Advising on Tuesday and Wednesday, 5-7 p.m., during fall and winter semesters.

**Graduate** students may withdraw by Touch-Tone or at the Records and Registration Service Counter, 303 Pierce Hall, through two-thirds of the semester/subterm. See calendars in this guide for specific deadlines. After this time, individual late withdrawals are made at the Graduate School, Starkweather Hall. Graduate students must provide evidence of extenuating circumstances.

**WITHDRAWAL - TOTAL**

If you decide not to attend a semester for which you have registered, you must cancel your entire class schedule or be subject to financial and/or academic penalties. If you neglect to notify the Office of Records and Registration, the University has no way to know that you do not plan to attend, and will continue to reserve your space in class. Non-attendance and non-payment of bills will not result in any class being dropped.

When you cancel or drop all of your classes for a semester, you will be assessed a 5% administrative fee for each tuition and fee adjustment up to the maximum of $100 per semester. This fee will be assessed for cancellation or total withdrawal from the date of your initial registration through the 25% tuition refund deadline. Withdrawals after the 8th day of class for Fall or Winter semester will result in additional charges.

**You may cancel all classes by:**

1. coming in person to the Office of Records and Registration service counter, 303 Pierce Hall; or
2. mailing by certified mail the cancellation form in this book or sending a certified letter, including your student number, term, year, and main reason for withdrawal, to the Office of Records and Registration, 303 Pierce Hall, Eastern Michigan University, Ypsilanti, MI 48197; or
3. using the Touch-Tone system during the 100% drop period only; or
4. in writing by fax to 734.487.6808

Through the calendar 100% deadline, a total withdrawal will result in a refund of 100% of tuition and fees, less an administrative fee. Through the 50% deadline, total withdrawal will result in a 50% refund of tuition and fees, less an administrative fee, and “W” grades. Through the 25% calendar deadline, total withdrawal will result in a 25% refund of tuition and fees, less an administrative fee, and “W” grades. (Under the Federal Fair and Equitable Refund Act, first time students are refunded on a graduated scale.) The administrative fee will be 5% of all charges up to a maximum of $100 per semester.

**IMPORTANT**

Your non-attendance will not result in any class being dropped. If you do not properly notify the Office of Records and Registration, the University has no way of knowing that you do not plan to attend. The University will continue to reserve your space in class, making it unavailable for any other student, and will hold you responsible for payment.
FINANCIAL INFORMATION

HOW DO I PAY MY BILLS?
Payments are made to the Cashier's Office, 201 Pierce Hall, open Monday-Friday, 9 A.M.-4:30 P.M. During the fall and winter, the Office is open until 7 P.M. on Tuesday and Wednesday. TO PAY BY PHONE, call 734.487.3331. TO PAY IN PERSON, bring bill and attached coupon. Pay by cash, check, Discover, VISA or MasterCard. TO PAY BY MAIL, enclose coupon and use mailing label provided. For other types of payment, mail to: Cashier/Eastern Michigan University/201 Pierce Hall/Ypsilanti MI 48197. Allow 7 days for mail processing. TO USE NIGHT DEPOSITORY, enclose coupon and check, or fill out credit card authorization on coupon. Drop envelope in slot provided at the College Place entrance of Pierce Hall. Do not deposit cash. To service personal financial matters, a bank branch and an ATM are available in McKenny Union. The Cashier Office does not provide personal banking services.

WHEN DO I RECEIVE BILLS?
Bills are mailed after the first weekend of each month, two to three weeks prior to the due date. IT IS EACH STUDENT'S RESPONSIBILITY TO MAINTAIN A CORRECT PERMANENT OR BILLING ADDRESS WITH EMU AT ALL TIMES. Late payment fees will not be waived due to the lack of a correct address. Be sure to file a forwarding request at the post office, in addition to submitting timely address changes to the Office of Records and Registration.

If you register and do not receive a bill at the time indicated in the semester calendar, IT IS YOUR RESPONSIBILITY to contact the Student Accounting Office at 734.487.3335 to determine your status and make your required payment on time.

Upon receipt of your bill, you must at least make a payment equal to the minimum amount due for the semester. Students whose financial aid estimate covers the minimum required payment do not need to make a payment. Students who have no financial aid or whose aid is not sufficient to cover the minimum amount due must pay the minimum amount billed by the due date.

Classes will not be automatically canceled due to non-payment. If you are not planning to attend, you must cancel your registration directly with the Office of Records and Registration or you will be financially responsible.

WHAT'S THAT $40 FEE ON MY BILL?
By submitting any registration request, you incur a $40 registration fee. If your original registration for the term was on or after the first day of classes, you will incur an additional one-time $50 late registration fee. Each course drop, on or after the first day of classes, up through the drop deadline, will result in a $10 course adjustment fee.

HELP! THERE'S A HOLD ON MY ACCOUNT SO I CAN'T REGISTER...
Eastern Michigan University may place a hold on a student's registration if either financial or academic performance obligations are not met. You must clear all holds before you will be allowed to register. You may have a past due account hold because you have a balance owed for a previous semester, or because you are delinquent in the payment of the current semester charges. This includes tuition, university short-term loans, parking, housing and library fines. To settle your account, go to Student Accounting, 203 Pierce Hall. You will then be allowed access to the Touch-Tone Registration System.

TUITION AND FEES

All tuition and fees are subject to change by action of the Eastern Michigan University Board of Regents without prior notice and at any time. General fee: $20 per credit hour
Course fees: (see course listing for amount)
Installment Payment fee: $20 (fall/winter only)
Late payment fee: $20/month
Returned Check/Charge card fee: $20

THE GENERAL FEE
EMU has the responsibility to maintain certain services and facilities on campus for the comfort and convenience of students, and to maintain academic accreditation. Examples are improvements to academic facilities, the Health Center, learning technology labs, athletic facilities, performing arts facilities, and Student Government. These are funded through a general fee per credit hour, assessed to all students. Like all general assessments, not every service or facility supported is used by every student, but the fee does serve the overall good of the student body.
RESIDENT STATUS FOR TUITION ASSESSMENT

Students are responsible for payment of tuition according to their resident or non-resident status at the time of their admission. If, after admission, a student feels his or her residence status has changed, an application, with documentation, for reclassification must be submitted to the Student Accounting Office no later than the end of the 100% tuition refund period. Failure to file such an application on time shall constitute a waiver of all claims to rebates or reclassification for the semester for which the student has registered.

If an appeal is pending, and a bill is received, the student should pay the minimum payment due on the bill. If the appeal is approved, any amount overpaid will be refunded.

INSTALLMENT PAYMENT PLAN (FALL & WINTER ONLY)

If you choose to pay the minimum amount due, you have chosen the installment plan. The installment plan requires that half of tuition, half of room and board, and all fees must be paid by the listed due date prior to the beginning of classes. The second half of tuition and room and board will be due the eighth week of the semester. An installment fee of $20 will be charged to your account. If you fail to pay the minimum payment by the due date, you will be charged both the late fee and the installment fee, a $40 total.

LATE PAYMENT FEE

If your payment is received after the bill due date you will be charged a $20 late fee each month until it is paid in full. If the minimum payment is not received by the due date, you will be charged both a late fee and an installment fee.

ADMINISTRATIVE FEE

If, for any reason, you withdraw from EMU, you will be charged a 5% administrative fee, not to exceed $100 per semester for all charges to that point. Withdrawals after the eighth day of class for fall or winter semester will result in additional charges.

SPRING AND SUMMER PAYMENT SCHEDULE

100% tuition and room & board are payable as billed at the end of the telephone registration period, or at the time your registration is billed, if you register during open registration.

BILLING ERRORS OR PAYMENT POLICY QUESTIONS

Questions concerning billing errors or payment policies should be directed to the Student Accounting Office, 203 Pierce Hall. Requests for tuition/fee adjustments must be made no later than 15 business days after the semester ends.

REQUIRED FEES APPROVED BY THE BOARD OF REGENTS ARE NOT DISPUTABLE.

REFUNDS

Refunds are issued when enrollments, assessments and financial aid records are substantially complete. Other refund arrangements must be made by the student by telephone request to 734.487.3335, in person, or by written request to the Student Accounting Office, 203 Pierce, Eastern Michigan University, Ypsilanti, MI 48197. All refund checks are mailed to the student's designated billing or permanent address. If you want a refund mailed to a different address, contact Student Accounting.

Tuition Refunds for Dropping Classes

When you register for a class, you have contracted with the University to reserve space in that class and you are responsible by virtue of your registration for payment of tuition and fees. If you find that you cannot take a class you must DROP THE CLASS OR CLASSES VIA THE TOUCH-TONE REGISTRATION SYSTEM or IN WRITING by the required dates in order to be relieved of your responsibility for payment of tuition. If you dropped using the Touch-Tone system call back on a separate phone call to verify that the drop was processed correctly.

CAUTION!

If you decide not to attend the University, you must:

1. CANCEL ALL YOUR CLASSES at the Records and Registration Service Counter or by certified mail. A mail-in cancellation/withdrawal form is included in this book for your convenience.

2. NOTIFY THE OFFICE OF FINANCIAL AID that you will not be attending.

3. CONTACT THE HOUSING OFFICE to arrange for CONTRACT WITHDRAWAL.

FAILURE TO DO THE ABOVE MAY LEAVE YOU WITH TUITION AND HOUSING CHARGES THAT WILL NOT BE PAID BY FINANCIAL AID.

Returned Checks & Charge Card Authorizations

A check or charge returned from your bank or other financial institution unpaid (returned item) will not automatically cancel your registration with a refund of tuition charges. The University will hold you responsible for your original enrollment plan unless you follow the published procedures and schedules for dropping classes or withdrawing. We will charge the returned item to your account along with the returned check fee, and request immediate payment. If you do not render payment when requested, administrative action may be taken to place holds on future registration privileges, release of transcripts, and other University services. You will also face collection action for the unpaid amount.

TUITION APPEALS

EMU allows the first 10 percent of the semester (eight days for fall and winter, four days for spring and summer) to drop your classes with full credit, minus the administrative fee. If you fail to drop within the time allotted, you will be charged the entire tuition for the class(es). If you feel there is a University error that resulted in your failure to drop the class(es) in a timely manner, you may file a tuition appeal with all supporting documentation at the Student Accounting Office, 203 Pierce Hall, until 15 business days after the end of the semester. Appeals will not be approved for pre-existing medical conditions, for changes in your work schedule or because you failed to verify a drop you did over the telephone.

TELEPHONE REGISTRATION STEP BY STEP

If You Need Help...
We want to make your call a success! If you have questions or need assistance, call the

REGISTRATION HELPLINE AT 734.487.2300

Service hours: 8 a.m.-5 p.m. Monday-Friday
Fall & Winter: 5 p.m.-7 p.m. Tuesday & Wednesday
Voicemail Bulletin Board available 24 hours a day.

BECOMING ELIGIBLE TO REGISTER
1. If you are a new undergraduate or transfer student you must be advised before you can register. Call the Academic Advising Center at 734.487.2171 to schedule an advising session. Until you have been advised, or waived your advising session, the system will not permit you to register.

2. If it has been more than eight terms since you last registered, you must re-enroll. If you are an undergraduate, please re-enroll at the Office of Records and Registration, 303 Pierce Hall. Graduate students re-enroll at the Office of Admissions, 401 Pierce Hall.

3. If you did not register for the semester for which you were admitted, you must update your admission.
   You must update your admission with the admissions office before you attempt to register for the current semester.

4. If you were admitted by sending in a Continuing Education registration form, you are limited in your course selection. You will be eligible to use Touch-Tone to register only for sections marked “CE” in the class schedule, until you complete regular admission.

5. If you have unpaid bills, you will not be able to register. Have a past due account hold cleared well ahead of your appointment time. If you have any past due payment obligations, a hold will be placed on your record and you will not be able to use the Touch-Tone Registration System. Go to Student Accounting at 203 Pierce Hall to clear your hold. (Do not go to the Financial Aid Office!)

6. Select courses and several alternates and enter them on the Touch-Tone Telephone Registration worksheet. If a course delivery plan has more than one instruction type (for example, lecture, lab and/or recitation), select a section for each instruction type. You must enroll for all required instruction types for such a course, and they may also need to have matching group codes (A, B, etc.).

7. Arrange for department permissions or overrides well in advance of your call. The “Department Permission Required” listed under a course in the class schedule means that you need to contact the academic department offering the course. The department has on-line access, and can authorize you to register in a course or section. If the system doesn’t allow you to register in a course for which you believe you are eligible, contact the department for approval.

8. Make sure you have a correct major or major intent declared. Many courses are restricted by major or by college. If your major is incorrect, you will not be able to register for a restricted course. To declare or change your major, contact Academic Advising at 301 Pierce Hall. Academic minors wishing to enroll in a class restricted to majors will require department permission.

9. Identify your correct appointment time, normally determined by your class level and earned credit hours. To check your earned credit hours, look at your Progress Report (be sure to subtract E hours and repeat credits from the total) or contact the Office of Records and Registration.

ACCESSING THE TOUCH-TONE REGISTRATION SYSTEM
1. Be sure your phone is in good working condition! A Touch-Tone phone sends a tone when you press a key, but it may not work if the key is worn out or if dust or liquids have leaked into the keypad. Not all push-button phones send tones. The registration system cannot recognize the pulse signals sent by some push-button phones. You do not need to have Touch-Tone service from your phone company, but be sure your phone is switched to tone mode after you dial and hear “Welcome to the Eastern Michigan University Touch-Tone...”

2. If you get a busy signal, it means all 62 lines are in use. Wait a few minutes, make sure you are dialing the correct number, and try again. The appointment schedule is designed to level the call load and smooth your access to the system. However, there is a higher volume of calls during the open registration period right before the term begins.

3. If you hear no ring nor a busy signal, please call the Registration Hotline at 734.487.2300. We will ask for your originating phone number so we can report line and switch malfunctions to the telephone company.
4. When you hear the message, “All circuits are busy,” you have not connected to the telephone registration system. You will not be liable for long distance charges. Should a malfunction cause charges on your bill, please call your telephone company billing office to request a correction. If you hear a message, “Not a valid access code,” you have dialed the wrong area code. The area code has changed to 734.

5. If, after hearing the welcome message on Touch-Tone, you then hear, “We are experiencing technical difficulties. Please...” this means that the host mainframe has temporarily become unavailable for phone registration. Details of any lengthy delay, when they become known, will be posted on the Registration Voicemail Bulletin Board.

THE TOUCH-TONE CALL

1. Your Touch-Tone student number is NINE digits. Enter three zeroes (000) in front of your 6-digit student number. You may also use your social security number at this prompt.

2. Adding Sections - Use Action Code 1
Enter the six-digit section ID using the telephone keypad. If the course is full or has been cancelled, the system will tell you and you can try your alternates or request to hear a list of open sections for the course. If the time or days of the course have been changed since the publication of the schedule book, the original section will have been cancelled and replaced with a new section. For many courses, new sections are added after publication, so always check for open sections when your first choice is unavailable.

Restrictions and Error Messages
A) The system will enforce a limit of 24 credit hours for undergraduates and 15 for graduate students during fall and winter. In spring and summer the limit for both is 12 credit hours. If you need to take more hours, request assistance at the Records and Registration Service Center where you may be registered in person for the excess hours.

B) To adjust your schedule, the system will let you register temporarily for duplicate sections of the same course. You are responsible for removing the duplicate section from your schedule. Failure to do so will result in being assessed charges for multiple sections.

C) In addition to “department permission,” the system enforces specific requirements such as: major, student academic level (grad vs. undergrad), class level (freshman, sophomore, etc.) and college. All exceptions must be approved and entered on your electronic file prior to registration. The system will not accept an academic minor as permission to register for a course restricted by academic major. You must get permission from the department (electronically input) before you can register for the course by Touch-Tone.

D) Course Ineligibility: The system does not automatically enforce grade point average, placement test results, and other requirements not specified in the paragraph above. Students who register in courses for which they are not eligible, may be dropped without notice prior to the start of the semester. Due to the timing of the previous term’s grade processing, spring and summer drops for ineligibility may occur after these terms begin.

E) When you select a course that requires you to register for multiple sections, such as lecture and lab, you will hear a warning on Touch-Tone. However, this is just a warning! You are still responsible for registering for a complete set of sections, and for dropping a complete set.

F) When you select a course which requires a co-requisite (another course you must take in the same semester) you will hear a voice warning. This is only a warning! You are still responsible for completing your registration for both required courses.

G) If you register for a course you’ve already taken for credit, the system will automatically code the new course as a repeat and warn you in case you wish to drop it.

H) If you make a mistake and schedule courses which meet at the same time, the system will warn you. You are responsible for correcting the time conflict in your schedule.

3. Hearing Open Sections - Use Action Code 3
When you choose to hear a list of open sections for a course, the system will list all open sections, including those with enrollment restrictions. REMEMBER that this selection is up-to-date and more current than the published class schedule. To interrupt, press the # key. To hear a course listing again, use the * key followed by the 7 key. TO REGISTER FOR A SECTION, YOU MUST RETURN TO THE MAIN MENU AND SELECT ACTION CODE 1 TO REGISTER FOR THE CLASS.

4. Dropping Sections - Use Action Code 2
Complete all add transactions before drop transactions. Drop unwanted sections early to avoid charges. After classes begin, each late drop costs $10. Late drops necessitated by the replacement of a cancelled section must be requested in person at the service counter for the late drop fee(s) to be waived. Non-attendance will not cause a class to be dropped. Non-payment will not cause a class to be dropped.

BEFORE YOU DROP, USE CODE 4 TO HEAR THE CORRECT SECTION ID OF THE COURSE YOU WISH TO DROP. Be sure to drop the section ID you hear on your schedule playback, NOT what you remember or read from the book. Be sure to drop all related sections such as lecture, lab and recitation.
**WARNING:** If you drop the wrong section and cannot re-add because it is full, you will have to request an enrollment limit override from the department.

To be sure your drop is complete, always return to the main menu (key followed by the 6 key) and use action code 4 to review your schedule. If you are dropping more than one class, be especially careful to complete the last drop. Many students making hurried drops neglect to finish the last one!

5. Reviewing Your Class Schedule - COURSE CONFIRMATION - Use Action Code 4
At the end of your call we strongly urge that you review your schedule to check for any errors. You will know immediately if your phone is not working, or if you have not completed a transaction. You’ll hear an updated list of your classes immediately. The system will also tell you the current total number of credit hours on your class schedule.

See the semester calendar for dates when you will receive your combined bill and course confirmation by mail. IMPORTANT! KEEP THIS! If you add or drop during open registration, the change will appear on your next month’s bill and course confirmation. In the interim, use action code 4 to confirm your schedule, or bring photo identification to the Records and Registration service counter, 303 Pierce Hall and request a printed schedule.

6. Withdrawing from an individual class section - Use Action Code 5
After the calendar deadline for 100% individual class drops, use code 5 to withdraw from a single section and receive an automatic “W” grade. The Touch-Tone system will permit withdrawal only from individual sections, but not from your last or only section. To withdraw from all of your classes for the semester, send the withdrawal request form from this book, by certified mail, or visit the Office of Records and Registration at 303 Pierce.

You can’t drop a class by simply not attending. You are responsible for timely cancellation of your registration, and for correct Touch-Tone course drops.

**TOP 10 TIPS FOR SUCCESSFUL REGISTRATION**

1. Read the University Calendar in this Student Guide so you know the deadlines for add, drop and withdrawal from courses; call the 24-hour Registration Voicemail Bulletin Board at 734.487.2300 for calendar information and helpful instructions.

2. Make sure to pay your bill by the due date to avoid a past due hold on your registration. Call or visit Student Accounting in 203 Pierce, 734.487.3335, if you need help with billing information.

3. Keep your telephone number and address up to date with EMU by sending in the change of address form in this book. Also file a forwarding order at the post office.

4. Always bring photo identification with you when you request services; federal law requires that we see your ID and have your signature for most transactions.

5. Memorize your PIN (Personal Identification Number) and do not share it with anyone. It should be as secure as your ACIM PIN code. Like your bank, we cannot give out a PIN over the phone.

6. When you call Touch-Tone Registration, listen carefully to voice messages about errors. Time conflicts, wrong parts of a course delivery plan, and wrong group codes will remain on your schedule until you correct them.

7. Always use Touch-Tone Action Code 4 to confirm the correctness of your registration transactions before you end every call; use the Touch-Tone worksheet in this class schedule book to record transactions, note problems, and purchase textbooks.

8. If you have a registration problem, call the Registration Help Phone at 734.487.2300. Have your student number and problem details ready (semester, year, grad or undergrad, section ID, dates) and take recommended action immediately.

9. Keep a file that secures your advising agreement, PIN, registration notices, course confirmations, bills, and receipts for payment and withdrawal.

10. If you decide to withdraw from a semester, immediately notify the Office of Records and Registration in writing (use the tear-out form in this schedule book). Be sure the postmark date meets the deadline for tuition refunds and use certified mail to retain proof, or withdraw in person by the deadline.

Quick Reference

1. WORKSHEET: Complete the worksheet in this insert after selecting courses from the Schedule of Classes. Write down several alternative courses and sections in case your first choice is closed. Record your schedule after hearing it played back on action code 4. Use your worksheet to purchase textbooks and to locate your classes.

2. PIN: You will need to know your student number and your Personal Identification Number. You received a system-assigned PIN with admission or advising documents. This secret 4-digit number is like your ATM "PIN".

3. If your PIN is lost or you suspect that its confidentiality has been breached, you may request a new PIN at the Office of Records and Registration service counter, 303 Pierce Hall. Photo identification will be required.

4. USE A TRUE TOUCH-TONE PHONE (or a phone you can switch from pulse to tone) to call the Touch-Tone System. Voice messages will guide you. Listen carefully to the instructions.

5. Before you end your call, be sure to use action code 4 to REVIEW YOUR CLASS SCHEDULE and catch errors. You are responsible for timely and correct Touch-Tone course drops.

6. BY SUBMITTING ANY REGISTRATION REQUEST, YOU INCUR A ONE-TIME $40 REGISTRATION FEE PER SEMESTER.

SUMMER 2001
SUMMER HANG TAGS

Commuter hang tags for the winter semester may be ordered by phone, starting March 27, 2001 during the Open Course Registration Period. Touch-Tone hang tag purchasing ends July 6, 2001. Call 734.487.6560 to purchase a hang tag. Hours of operation will be the same as the class registration system. Hang tags ordered by phone will be charged to your student account.

To purchase a hang tag by phone, you must be registered for classes and will need to know your student number and PIN/PAC number. You will also need to use a true Touch-Tone phone (or a phone you can switch from pulse to tone) to access the system. Voice messages will guide you. Listen carefully to the instructions.

Hang tags ordered through June 22, 2001 will be mailed. For orders placed on or after June 23, 2001, the hang tag must be picked up the following business day, after 4 p.m., at the Parking Office located on the ground floor of the Parking Structure. Student identification or course confirmation, along with photo identification and your license plate number, will be required to pick up the hang tag.

There will be a $25 fine for parking a vehicle on campus without a valid hang tag in any lot other than designated guest pay lots. Failure to display the hang tag is a violation of the parking regulations and will result in the issuance of a parking violation (ticket). A lost hang tag must be replaced by purchasing another from the Parking Department.

Hang tags may be purchased in person at the Parking Department from 8:30 a.m. - 4:30 p.m. The Parking Department will be open until 7 p.m. on July 2, 3, 5, 11, 2001. If you need further information, please call the Parking Department at 734.487.3450.

Vehicle Registration Fees: (Subject to Revision)

Commuter $25

(Parking on campus between 6 a.m. and 2 a.m.)

University Housing occupants and Brown/Munson residents must obtain a billing card from 107 Brown and present their signed billing card, current student ID, and vehicle registration to the Parking Department for a hang tag.

Graduate assistants must obtain a signed billing card from their sponsoring department. They must present the signed billing card, in person, at the Parking Department, to obtain a hang tag.

COLLEGE OF BUSINESS

REGISTRATION FOR UNDERGRADUATE BUSINESS COURSES

Business majors must apply for admission to the College of Business. Applications for each semester must be accompanied by a progress report, tabulation of transfer credit, transcripts, or grade reports, in order for the applicant to be approved or registered in business courses.

Students may obtain an application for admission to the EMU College of Business from:

Undergraduate Business Programs Office College of Business
Eastern Michigan University 401 Owen
Ypsilanti, MI 48197 734/487-2344

To qualify for admission, students must have successfully completed 56 semester hours with a minimum cumulative grade point average of 2.50, complete specific required courses, and meet prerequisite requirements. Business Intent students must be pre-approved for 300/400 level courses in 401 Owen. Non-business majors will be asked to provide academic records and to complete a Student Intake Sheet to confirm their program of study and preparation. No student majoring in a program outside of the College of Business will be given more than 30 semester hours of credit for courses offered in EMU's College of Business. Non-business majors also must satisfy stated course prerequisites listed in the catalog or updated in the Class Schedule Book. Students must be of Junior standing (56 or more credit hours) and of good academic standing (2.00 grade point average or better) to enroll in 300 and 400-level College of Business courses.

NON-BUSINESS MAJORS: 300/400 level business courses for non-business majors and business intent must be pre-approved in 401 Owen.

Second Bachelor's degree students must be advised by the coordinator of advising for Second Bachelor's degrees, to be eligible to enroll in business courses. Second Bachelor's candidates working toward a business degree must formally apply for admission to the College of Business and must meet all College admission requirements.

Special students and non-matriculated students are not eligible to register in College of Business courses. These students should contact the Undergraduate Business Programs Office for advisement.

Guest students may enroll for one semester only with approval in advance from the College. Guest student applicants should provide proof of guest status and completion of 56 semester hours, as well as completion of appropriate prerequisites for 300/400 level coursework. An unofficial transcript from the student's originating institution is recommended and an official transcript may be required.

REGISTRATION FOR GRADUATE BUSINESS COURSES

500 Level business courses: degree-admitted graduate students within any College in the University may register for 500 level business courses. No special permission is required. Non-Degree Self-Improvement admitted graduate students must have permission from the Graduate Business Programs Office to enroll in 500 level business courses. Undergraduates may enroll in 500 level business courses under certain conditions and should contact the Graduate Business Programs Office.

### COLLEGE OF TECHNOLOGY

OVERRIDES: One policy applies to all departments. The College of Technology provides course overrides on a first-come, first-served basis. All overrides require the approval of the department head, program coordinator, or faculty member. Priority is given to students who need a course for graduation or whose graduation will be delayed if a course is not taken in proper sequence. Students should complete a College of Technology override request form to be considered.
