EMU Athletics Hosts Enhance the Experience Committee

A 40-person panel will meet three times during the winter semester

YPSILANTI, Mich. (EMUEagles.com) – The Eastern Michigan University Department of Intercollegiate Athletics announced its first-ever Enhance the Experience Committee. The 40-person council made up of students, season ticket holders, administration, corporate partners and faculty will provide the athletics department with feedback on the gameday experience at Eastern Michigan and possible ways to improve that experience for fans.

The first meeting for the committee will be held Thursday, Jan. 30, at 6 p.m. in the Eagles Nest inside the Convocation Center. This will be the first chance for the 40-person panel to meet with EMU Athletics officials to discuss fan experience at sporting events, with a primary emphasis on football gamedays.
