Paterson has competed on the uneven parallel bars in all nine meets for the Green and White this season. The Oakville, Ontario native has also earned a spot in the floor exercise lineup in the Eagles' last two meets. Out of her 11 routines, seven of them have been scored a 9.600 or better, including a career-high 9.750 at the Michigan/Illinois Challenge, Feb. 1, that helped EMU record its highest score in 10 years at the time. In her first two career floor routines at the collegiate level, Paterson earned a 9.600 at both meets.

Not only does Paterson soar through the air in competition, but she also shines as a scholar athlete. She currently holds the best GPA of any EMU gymnast with a 3.82 as a Geography Tourism major.

Paterson and the rest of the Eagles will conclude their 2014 season as hosts of the Mid-American Conference Gymnastics Championships, March 22, as seven conference institutions will compete in the Convocation Center with the MAC Championship on the line.
